Re: Virginia Charitable Status

USA Dance was first recognized by the IRS as a tax-exempt, 501(c)(3) organization in March 1985. In April 2019, USA Dance confirmed this status with the IRS. Donors can deduct contributions they make to USA Dance. (as provided in IRC Section 170). USA Dance is also qualified to receive tax-deductible bequests, legacies, devises, transfer, or gifts under IRC Sections 2055, 2106, and 2522. This is for IRS tax-deductibility purposes.

A few months ago, the state of Virginia notified USA Dance that our application for renewal as a charitable in Virginia was denied. We are working diligently to resolve this issue. Obviously, the mission of USA Dance has not changed. Complying with the many and ever changing rules and regulations of the many states where we have chapters, and the IRS, is a never ending challenge.

We will update you as soon as possible and want to thank Walter and Robin for continuing to pursue this issue with us.
