

To all USA Dance members

We have received many questions regarding coronavirus and chapter dances. USA Dance only knows what each of you knows through the media. Although we have contacted other sports organizations, there doesn't appear to be a consensus as to what immediate actions should be taken at this time, i.e., canceling events.

Here is a link to the CDC for current information.

Chapters will need to consider locally reported cases and use common sense when thinking about holding or canceling dances. All of us need to follow the recommended precautions as outlined by the CDC.

Hand sanitizers should be available at every chapter dance and especially during influenza season and now.
