USA Dance Secretary

On October 7, 2019 I appointed and the Governing Council ratified the appointment of Fiorenza Todaro as the new national Secretary of USA Dance. The Governing Council is excited to be working with Fiorenza as she steps into this critical role. Fiorenza comes to USA Dance with board experience with the Northern Alabama chapter as Secretary, fluency in multiple languages, and children that are active DanceSport competitors.

Fiorenza is currently a social member of USA Dance living in Huntsville Alabama. Please join me in welcoming her to the Governing Council.
