## **USA Dance Treasurer**

On February 17, 2020 I appointed and the Governing Council ratified the appointment of Spencer Chang as the new national Treasurer of USA Dance. The Governing Council is excited to be working with Spencer as he steps into this critical role. Spencer comes to USA Dance with accounting, auditing, tax, commercial and mortgage banking, and non-profit board experience. In addition, Spencer has a BS in economics, an MBA in accounting, and is a CPA.

Spencer is currently a DanceSport member of USA Dance living in Atlanta Georgia. Please join me in welcoming him to the Governing Council.
