

Certification Guide

How to Start

Step

01

Become a Member

Create your USIndoor referee membership profile. After completing your member registration, you'll receive important information via email about how to access our official online learning portal, hosted by Freestone. (Don't forget to check your spam folder!)

Step

02

Register for your Course

Create your Freestone online learning course account—don't worry, USIndoor imports all your membership profile information to your course account automatically!

Step

03

Proof of Safety Training

All referees certifying with USIndoor for the first time **MUST** submit proof of completion of our required safety training courses:

National Federation of State High School Associations' "[Concussion in Sports](#)"

OR

Centers for Disease Control and Prevention's "[Heads Up Online Training Course](#)"

Both of these courses are free! Referees who fail to take our required safety training courses will not be eligible for general liability coverage.

Step

04

Complete Online Course

All course requirements must be completed in 14 days, after which you'll receive:

- Official USIndoor Certificate of Completion
- Official USIndoor referee velcro patch
- Official hardcopy version of USIndoor's "Official Rules of Indoor Soccer"
