2017-2018 DUES STRUCTURE

The UUMA continues to review the dues structure seeking to address the concerns and realities of a sliding dues scale while still presenting a balanced budget to ensure we have the resources to continue to live into our vision of a stronger, more effective association. While we acknowledge that there is no system that will be 100% equitable across all income levels we hope you will see that the spirit of this structure is intended to level the field as much as possible. Please remember that waivers are available for those unable to pay the minimum; we especially encourage those of you who are making less than \$25,000 a year to consider asking for a waiver. Waivers must be requested by **October 15, 2017**. Although the chart does not extend past \$100K, those making an income beyond that are welcome to pay 1.0% (0.5%) of their income. Installments (10 payments spread evenly between the day you renew and June 30) and Automatic Renewals (to process on July 1) are both available.

A special note to members earning **Canadian** dollars: when going through the renewal process please first convert your Salary & Housing into US dollars so that you will be paying on the same scale as others.

Internal Membership Procedures:

- ◆ Temporary Financial Hardship: \$250/\$125
- ◆ New Members: Members joining after March 15th (106 days) will owe dues for the following year.
- ◆ Waivers: Must be requested by Oct 15. May not receive a waiver more than three years in a row without special circumstances. Documentation presented can include one of the following: most recent tax return (first page), detailed list of income and expenses. Members on disability will be granted a full waiver with SRI documentation.

Waiver Sliding Scale:

- First Year Requested: 75% off: \$62 (parish) / \$31 (non-parish)
- Second Year Requested: 50% off: \$125 (parish) / \$75 (non-parish)
- Third Year Requested: 25% off: \$188 (parish) / \$95 (non-parish)
- Full waivers granted on case by case basis.
