Symbol Definitions

Y	=	Yes (pro-gun response)
N	=	No (anti-gun response)
NR	=	Did not answer the question (No Response), or the response was so caveated that they avoided answering the question by responding to a different question, or they changed the question, or they were undecided.

Party Designators

D = Democrat	G = Green	I = Independent
L = Libertarian		R = Republican

The names of candidates in **bold** signify incumbents running for reelection.

If any of the candidates in your district have not responded to the survey, contact them and urge them to complete the VCDL survey and send it in. If they are afraid to take a public stand on these issues now, before the election, then they are unlikely to be very responsive to your views after the election.

There is absolutely NO reason why they should not answer this survey!

Failure to return a completed survey frequently indicates indifference, if not outright hostility, toward the Right to Keep and Bear Arms.

This information is provided to educate the public on the candidates' position on key issues. VCDL does not endorse candidates.
