Organization Type Definitions:

- College/University: An institution of higher education with authority to award degrees in nursing
- Specialty Nursing Organization: A nursing body with a majority (>50%) of voting members who are registered nurses practicing in a specialized nursing area as defined in the organization's governing documents
- Health-Related Organization: Organizations that support healthcare delivery or services but do not provide direct patient/clinical care
- Multidisciplinary Education Group: A continuing education provider for nursing and other disciplines
- Professional Nursing Education Group: A continuing education provider for nurses only
- Healthcare Facility: An organization that provides healthcare services (i.e. hospitals, hospice, outpatient facilities, medical offices, clinics, long-term care) OR agencies that supply healthcare workers to organizations, including homes
- Governmental Entity: A governmental entity that provides nursing services
- Healthcare System: An organization with 1-5 Facilities/Entities/Organizations that provide healthcare services
- Other: If organization type is not listed above, consult with the lcardwell@virginianurses.com

Regular processing time for Approved Provider Applications is 90 days. Processing time begins when VNA has received your complete application and full payment. If your application is received past the due date for your application cycle, you will be subject to late fees or may be required to defer to the next review cycle. Additional fees will be incurred with deferral. Please contact the [Director of Professional Development](#) to discuss your options if you will be submitting your application late.
