Infant Mental Health Journal

Get access to the latest research and subscribe today at wileyonlinelibrary.com/journal/imhj

Editor: Holly E. Brophy, PhD

The Infant Mental Health Journal, the official journal of WAIMH, publishes peer-reviewed research articles, literature reviews, program descriptions/evaluations, theoretical/conceptual papers and brief reports. The journal is dedicated to an interdisciplinary approach to the optimal development of infants, toddlers, young children, and their families and caregivers, and welcomes submissions from all disciplinary perspectives.

Activate your 60 days of free access to Infant Mental Health Journal in three easy steps:

1. Log in or register for a Wiley Online Library account at wileyonlinelibrary.com
2. Go to “My Profile” and select “Trial Access” from the left-hand menu
3. Enter the trial access code IMHJFREE (case-sensitive)
