SAFETY MONDAY ©

BACKING

- **DO NOT** ride on the rear step when the truck is in reverse
- **DO NOT** attempt to mount or dismount the truck while it is moving
  - Avoid backing whenever possible
  - Scan the area for fixed objects upon arrival and approach (cars, overhead objects, etc.)
  - Anticipate the actions of people and other vehicles in and around the truck.
  - Respond to changing conditions
  - Do not back around corners or into an intersection, unless there is no other option
  - Use the mirrors to scan the area frequently, watching for motion around all sides of the truck
  - If installed, use cameras
  - Do not fixate on one mirror (or camera)
  - Driver should alternately check both mirrors. Don’t forget to look in front.
  - Turn off distractions (radio, cell phone, etc.)

*When in doubt, remember your G.O.A.L.*
