

NWRA Webinars

NWRA's webinar series provides members and non-members with timely and topical information on the latest emerging trends, regulations and business climate. Webinar sponsors receive access to attendee information, and depending on subject matter, potential speaking opportunities are available.

Some of our past webinars include:

- Temporary Worker Safety Training Webinar
- Reducing Injuries & Fatalities in the Waste & Recycling Industry
- NWRA Member Savings Plan Webinar
- NLRB Ruling on Temporary Workers Webinar
- NSPS (New Source Performance Standards for Landfills) Rule Webinar
- Reducing Collisions – Going Beyond Distracted Driving
- Workers Comp – Strategies and Cost Containment

6 available per year \$ 2,000/each

These webinars allow sponsors to reach both non-members and members of NWRA. Sponsors for webinars are mentioned and thanked during the webinar. The sponsor's logos will be branded in any slides/videos for the presentation. They will also have an opportunity to participate in the webinar itself. The sponsor's logo will be present in all e-blasts and other marketing content for the event. The logo will be mentioned and thanked in all e-mails about the webinar, on news clips for the event, and on social media.

Please contact Megan Passinger at mpassinger@wasterecycling.org or 202-364-3702 for webinar information and contacts.
