LIFE SCAN WELLNESS CENTERS AND THE WFCA

About Life Scan Wellness Centers (LSWC)

- Life Scan provides comprehensive annual physicals tailored for first responders
- Services include:
  - Advanced cardiac and cancer screenings
  - Lab work, ultrasounds, and fitness assessments
  - Early detection of occupational health risks
- Trusted by hundreds of departments nationwide

Who Is Eligible?

- WFCA member districts who are eligible and enrolled in the WFCA Health Care Program's medical coverage.
- Dependants and retirees on the plan are not covered for reimbursement but are welcome to utilize the services and pay an out of pocket fee at the same rate as the department

How to Get Started

- Fire departments should contact the WFCA contact Christina- Christinal@wfca.wa.gov
- Christina will then connect the department to LSWC for introductions and planning purposes

Participation Requirements

- A minimum of 45 participants is required per department
- Departments may:
  - Partner with other departments within WFCA
  - Collaborate with departments outside WFCA that already use or wish to use Life Scan services

Agreement Details

- Departments must sign a one-page agreement with Life Scan
- The agreement outlines:
  - Costs covered by WFCA
  - Department responsibilities for:
    - No-shows (in excessive amount)
    - Additional labs or testing
    - Labs drawn without attending the appointment
