- Have an overall cumulative grade point average of 3.50 or higher.
- Be an amateur and on the team's roster through the conclusion of the team's season.
- Have played in 50% of the college's regularly scheduled competitive rounds during the year nominated through the team's conference championship.

**About the Women's Golf Coaches Association**

The Women's Golf Coaches Association, founded in 1983, is a non-profit organization representing women's collegiate golf coaches. The WGCA was formed to encourage the playing of college golf for women in correlation with a general objective of education and in accordance with the highest tradition of intercollegiate competition. Today, the WGCA represents over 750 coaches throughout the U.S. and is dedicated to educating, promoting and recognizing both its members and the student-athletes they represent.
