

WCA Keeps a Record of WCA-Sponsored classes you have taken!

DCs

WCA keeps track of CE Hours for DCs.

Here's how to look up your WCA CE records:

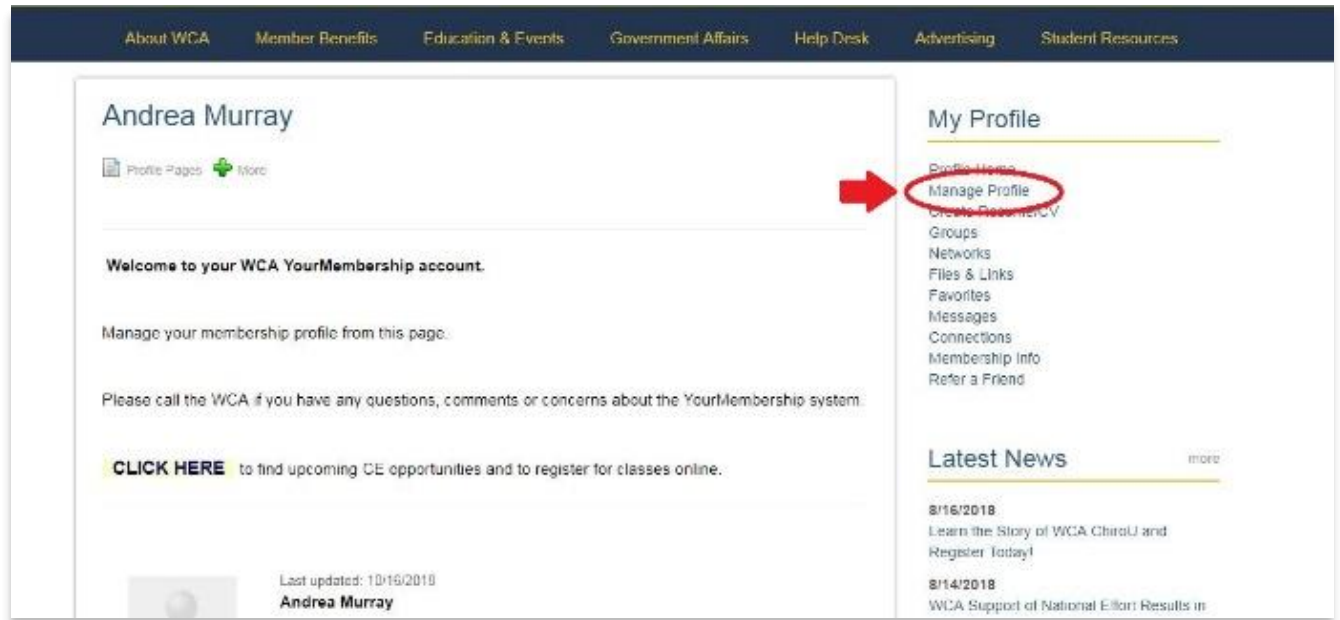

Step 1:

Sign in to your account (on the right side of the webpage when you are on the website).

Forgot your password? Use the link to re-set.

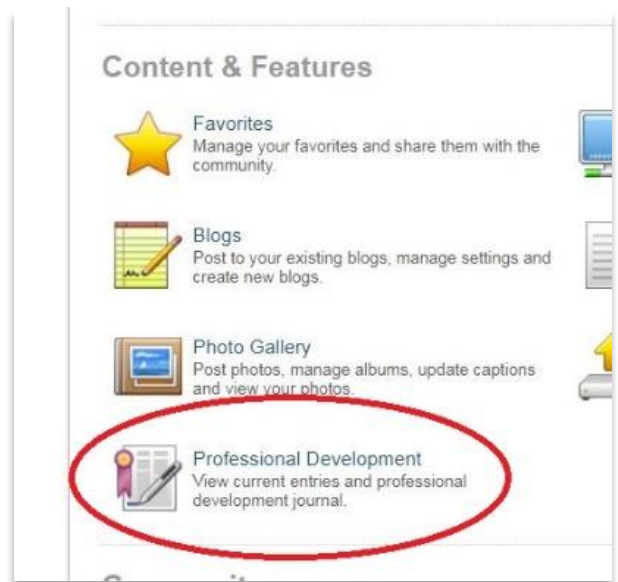

Step 2:

Once you are signed in, click on "Manage Profile"

Step 3:

Scroll down and click on "Professional Development"

WCA Keeps a Record of WCA-Sponsored classes you have taken!

Step 4: You are now in your continuing education "Journal." You can filter by Credit Type, etc.

Step 5: Create a report by Exporting Entries.

Be aware: When you print or email a transcript, it won't distinguish between Nutrition and other CE Hours, and the total will be misleading. To get a true picture of your hours, use **"Export Entries"** to download a spreadsheet listing your CE. That will list your CE and your Nutrition hours.

Approval codes are included on these reports. We started adding them in 2018.

CTs and CRTs

Even though we stopped tracking CE hours for CTs/CRTs within our system in 2018, you can still look up the courses you have taken with us, which will also show you the CE Hours.

Event Registrations

View and print existing registrations and view past events and photos.

Here's How:

Follow steps 1 and 2.

Step 3. Select "Event Registrations"

Step 4. You will see a list of courses you took through the WCA. Course titles also list the CE Hours. For instance, the Front Desk Clean Up course I took in Madison in July 2019 was approved for 6 hours CE for both DCs and CTs.
