

STOP HERE IF YOU...

- **Have fever, cough, or difficulty breathing**
- **Have been in close contact with someone who may be infected by Coronavirus**
- **Have recently traveled to areas with high Coronavirus infection rates**

If you suspect you're contagious:

1. Please do not enter this office.
2. Return directly to your vehicle.
3. Call our office or your medical physician immediately for instructions about what to do next.
4. Follow your doctor's orders, then get well quickly!

We care about the health and safety of all of our patients. By working together, we can help stop the spread of Coronavirus and other diseases. Thank you for understanding.

Questions about what else we're doing to ensure your safety?
