

Dear Members,

We hope everyone is enjoying this summer!

Since our last Newsletter in June, we have continued to grow our membership, engage our members with successful events around the globe, and provide members-only-benefits. We wanted to take the opportunity to highlight the members-only benefits available when you log in to [womeninets.com](http://womeninets.com) and click on "Manage Profile" on the right hand toolbar.

If you've forgotten your password, you can click on "forgot your password link?" near the login and the system will send you a reset link to your email address on record.

In response to member interest, we have also started to accept donations from members until membership dues become mandatory on July 1, 2016. Please see the [Donations Link](#) to learn more about how to contribute. Thank you to those that have already made donations!

Lastly, we wanted to make you aware that WE now has access to a webcast platform through which we can provide additional educational and professional content on [womeninets.com](http://womeninets.com). In addition to participating in webcasts live, you will have the ability as WE members to view webcast recordings on-demand by logging into the site. This will enable us to provide an enriching content library for members to view at their convenience around the globe. Please keep an eye out for an upcoming invitation for our next WE Webcast, "Active and Strategy Index ETFs", which will take place on September 9th!

As always, please reach out to us with any questions or comments at [board@womeninets.com](mailto:board@womeninets.com)

## WE WEBINARS | IMPACT OF LIQUIDITY, TAX AND REGULATION WHEN USING ETFs: A VIEW FROM EUROPE

ETFs are booming. Assets in the global ETF and ETP industry are likely to overtake those in hedge funds in the second quarter, according to EFTGI. Institutional and retail investors are drawn to the cost efficiency and daily liquidity. ETFs are increasingly being used by intermediaries in Europe as a tool to implement asset allocation...[READ MORE.](#)
