

COMMUNITY PARTNER SPONSORSHIP OPPORTUNITIES

We are pleased to recognize those companies that share our commitment to supporting the community and developing women leaders and would like to demonstrate their commitment by contributing to the Women's Impact Fund.

We pool our charitable contributions, identify critical community issues and decide as a group where to invest our grant dollars.

Giving together magnifies the power of our philanthropy and enhances the learning experience. In 2017, Women's Impact Fund awarded over \$440,000 to five Mecklenburg County nonprofits.

Since Women's Impact Fund's founding in 2003, it has awarded grants of nearly \$5 million to 64 nonprofit programs in Mecklenburg County.

5 Areas of Focus: Arts & Culture · Education Environment · Health · Human Services

Each year, in any of these of areas, grants ranging from \$40,000 to \$100,000 are awarded

Women's Impact Fund is committed to developing women leaders who understand our community's issues and become informed, experienced philanthropists.

Member education and social events are held several times annually to provide networking and enrichment opportunities.
