

COMMUNITY PARTNER SPONSORSHIP OPPORTUNITIES

We are pleased to recognize those companies that share our vision for supporting the community and developing women leaders by making a commitment to the Women's Impact Fund.

We pool our charitable contributions, identify critical community issues and decide as a group where to invest our grant dollars.

Giving together magnifies the power of our philanthropy and enhances the learning experience. In 2019, Women's Impact Fund awarded over \$421,000 to six Mecklenburg County nonprofits.

Since Women's Impact Fund's founding in 2003, it has awarded grants of nearly \$5.9 million to 76 nonprofit programs in Mecklenburg County.

6 Grant Areas: Arts & Culture · Education Environment · Health · Human Services · SPARK

Each year, in any of these of areas, grants up to \$100,000 are awarded

Women's Impact Fund is committed to developing women leaders who understand our community's issues and become informed, experienced philanthropists.

Member education and social events are held several times annually to provide networking and enrichment opportunities.
