AccuRounds

Accuracy on the cutting edge.

Our Wellness Program

AccuRounds is committed to providing a safe and healthful working environment for its team members. AccuRounds encourages team members, families and communities to take charge of their health and make lasting change.

We support a work environment that makes it easy for team members to engage in healthy behaviors and to provide team members with knowledge, skills, strategies and resources to promote and protect their health.

Impact on Our Organization

We provide a supportive work environment that makes it easy for team members to engage in healthier behaviors and provide them with knowledge, skills, strategies and resources to promote and protect their health.

What Makes Us Unique

Our corporate purpose is to be the Defining Standard for Advanced Manufacturing. Very few manufacturers focus on health and wellness. AccuRounds has accomplished quite a bit within one year and has raised the bar for other companies to follow.

About AccuRounds

AccuRounds is a contract manufacturer that machines and assembles precision turned components for the medical, defense, aerospace, semiconductor and emerging technology markets.

Our Mission

Provide team members with the knowledge, skills, strategies and resources to promote and protect their health.

Our Vision

To enrich the lives of our team members by providing a work environment that makes it easy for them to engage in healthy behaviors.

Our Wellness Goal

Support team members in getting more physically active; increasing access to healthier foods; managing daily stresses better.
