

SIF CERTIFICATION PROGRAM

SIF CERTIFICATION PRODUCT UPDATE

CHECKLIST

Product Name: _____

If the changes made are within the scope, as defined in the Conformance Statement, then there is no requirement to re-test or update the certification information.

If the changes are outside the scope of the certified product, or require modification of the scope through an update to the Conformance Statement, then the Solution Provider is required to re-test and provide the information necessary to update the Conformance Statement to accurately represent the conformance claim.

Go to the [SIF Certification](#) page, click on 'Certification Programs & Test Suites' from the drop down menu at the top of the webpage, then select the relevant Test Suite.
