Our mission: To improve student data privacy in K-12 education by building public trust through providing practical support, meaningful guidance, and investigations.

The state of Utah is comprised of

41 Districts and 115 Charter Schools

State Law 53E-9-309 requires privacy provisions be included when contracting with vendors
Burden on LEAs

LEAs Negotiating Terms
Takes a lot of time and effort, while not all have the resources

Free Apps
Still need an agreement when they share student PII

LEAs Signing Agreements
Can add up to hundreds of contracts each year
Utah Data Privacy Agreement

Exhibit E
“General Offer of Terms” piggy-backable or umbrella agreement

LEAs Helping LEAs
Working together to share resources and processes
2 Utah Student Privacy Alliance

Inventory/Transparency
Data disclosure, contracts, applications, researchers, partners
