Chris M. Kwok

Dear Nomination Committee:

Being a part of AABANY has been one of the most rewarding experiences of my professional career, and it is my hope to again serve AABANY as a Board Member.

I have had the honor of serving on the board this year, and have enjoyed the collegial atmosphere and working with my fellow board members. I have served as Co Chair of the Labor & Employment Committee (2014-2016) and Issues Committee (2015- Present). I also Co Chaired the Asia Practice Committee (2018- Present) and believe we have lead the committee towards the promise it held when it first originated.

I have participated as a panelist for two programs at our Fall Conference (2018), captained the AABANY trivia team at the AAJA trivia bowl, organized panels, CLEs and social events. One highlight of this year was the program we held on Asian American immigrants at Asia Society.

It is my hope that AABANY be a platform to fulfill individual professional goals, but also to work together to build a more fair and just society - my experience so far has proven that to be true, and I hope to continue as a board member.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris M. Kwok".
