ABOUT AACE

The purpose of AACE is to advance and enhance the code enforcement profession by providing education, certification, networking and technology resources to its members.

"To become a member of AACE is to become a member of a group of elite code professionals. My interactions, as a result of my membership with AACE, empower me to harness every training opportunity to make a difference in my city through code enforcement. Your next step in becoming a member is your best step!" - Barbara Burlingame, President, AACE Board of Directors

JOIN AACE TODAY
