

Register for CAM or CAS

The multi-family housing industry is growing. Competition is fierce. And multi-family housing professionals face more challenges than ever before. Today if you work in the multi-family housing industry you can't afford to overlook the benefits of industry designation. Education programs and designations of the National Apartment Association are the premier offerings for multi-family housing professionals. NAA's professional designates are a recognized and respected mark of excellence throughout the industry. Each course and program has been carefully crafted and tailored to meet the ever-changing needs of today's multi-family housing professional.

The **Certified Apartment Manager (CAM) Course** is designed for leasing consultants, assistant managers, managers or any on-site professionals preparing for a future in the apartment industry.
