Each exhibitor is responsible for safeguarding its goods, materials, equipment, and exhibit at all times during the AAHFN Annual Meeting. AAHFN provides 24-hour security guard service for the perimeter of the Exhibit Hall, but neither the guard service nor AAHFN are responsible for loss of or damage to any property. Deliveries or removal of equipment are only permitted during move-in and move-out. AAHFN strongly recommends that you do not leave valuables in your booth unsupervised.

SELLING PRODUCTS OR SERVICES
The AAHFN exhibits are focused on educating attendees by providing information, services and products, and presenting industry trends pertinent to the nurses’ professional interest. Therefore taking orders and selling exhibited products will be permitted. The sale of non-cardiovascular-related products, e.g., bags, T-shirts, umbrellas, golf balls, sunglasses, etc., is strictly prohibited. At no time may the exhibit or product display be altered to fulfill a transaction. No signage or advertising of product pricing will be allowed. Exhibiting companies that sell taxable goods or services on site are responsible for registering as a dealer with the Arizona Department of Revenue.
SHOW CANCELLATION POLICY

Should AAHFN elect to cancel the show, AAHFN’s liability to the Exhibitor shall be the refund of any payments for booth space received. AAHFN shall not be liable for any consequential damages that may arise from such cancellation. Should the show be cancelled due to circumstances beyond the control of AAHFN, including, but not limited to, acts of God, acts of war, governmental emergency, labor strike, or destruction of exhibit facility, AAHFN shall return each Exhibitor’s space payment less a pro rata share of costs and expenses incurred.

STORAGE

Storage of all sales literature and catalogs must be accommodated on or under the tables provided. No crates, fiber cases, cardboard boxes, or reserve supplies may be stored behind the booth back walls.

FDA COMPLIANCE

Displayed products must have fulfilled all applicable Federal Drug Administration (FDA) regulations. Products that are not FDA approved for a particular use in humans or are not commercially available in the United States can be displayed only when accompanied by appropriate signs that indicate FDA clearance status. The signs must be easily visible and placed near the product and on any graphics depicting the product.

Display of Investigational Products is to remain within the expectations and limitations of the Food and Drug Administration’s Guidelines on Notices of Availability. Any investigational product that is graphically depicted on a commercial exhibit should:

1. Contain only objective statements about the product.
2. Contain no claims of safety, effectiveness, or reliability.
3. Contain no comparative claims to other marketed products.
4. Exist solely for the purpose of obtaining investigators.
5. Be accompanied by directions for becoming an investigator and list of investigator responsibilities.

6. Contain a statement on signage: “Caution-Investigational Product-Limited to Investigational Use” (or similar statement) in prominent size and placement.

Please contact the FDA Office of Compliance regarding your responsibilities under the Federal Food, Drug and Cosmetic Act.

LOGO REQUIREMENTS AND USE

To ensure that your company receives the highest quality logo recognition, AAHFN must receive your logo in a vector EPS file compatible with Adobe Illustrator, as well as in a JPEG format. The deadline for uploading your company logo is Monday, April 30, 2018.

Product vs. Company Logo

Since AAHFN is a 501 (C) 6, certain Tax Code regulations must be followed in order to remain within the qualified sponsorship payment safe harbor. The following are AAHFN’s guidelines for the use of product logos:

• A product logo can be placed on a non-educational sponsored item as sponsorship recognition.
• A product logo cannot be used for general recognition (banners, website listing, publication, etc.)
• The product logo can be a logo only, and cannot contain any quantitative or comparative language, price information or other indications of savings or value, an endorsement or an inducement to purchase, sell or use the product or service.

PHOTOGRAPHY AND VIDEOTAPEING

Photography and videotaping in the Exhibit Hall or during Educational Sessions is strictly prohibited.

NON-SMOKING POLICY

AAHFN policy strictly prohibits the use of tobacco products in all areas of the hotel (including during installation and dismantling) and all hotel meeting rooms hosting AAHFN events. Exhibitors are responsible for ensuring that all individuals associated with the exhibiting company comply with this policy.
