

Recognized Fellow of AAMSE – Request for Recommendation

Each year, AAMSE identifies and recognizes a select number of members who have demonstrated a professional commitment to professional medical society management and are active participants in the Society's activities.

Recognized Fellows of AAMSE join a unique group of individuals who are dedicated their own continuing professional development and have distinguished themselves among their colleagues, communities as well as in AAMSE, through exceptional leadership and service. Their dedication and longstanding commitment to our profession is recognized by this mark of distinction.

Recommendations for the inaugural Recognized Fellows of AAMSE of 2019 must be received on or before February 28.
