Such assignment and transfer also includes any modifications or other alterations to the Work that the Author may make pursuant to this Agreement between the Author and AANLCP of Author’s contribution of the Work if and when the Work is distributed or sold. For the removal of doubt, any Author of the Work shall no longer have any right, title or interest in or to the Work, including the right to make derivatives thereof, as all such right, title and interest in and to the Work will be exclusively owned by AANLCP.

Your execution of this agreement will further signify, represent and warrant that: (a) the Author(s) listed above is/are the sole author(s) and owner(s) of all right, title and interest in and to the entire Work and any portion thereof, including but not limited to all intellectual property rights therein; (b) the Work is the Author(s) sole and original creation and is not in the public domain, unless otherwise disclosed to AANLCP where indicated, below, on this agreement; (c) the Work has not been, and prior to AANLCP’s publication thereof will not be, published or otherwise made publicly available, in whole or in part, except as disclosed to AANLCP by Author(s) prior to the execution of this agreement; (d) the Work does not, and use thereof will not, violate or infringe any right of any third party, whether common law or statutory, including but not limited to copyright, trademark, patent, trade secret, or other intellectual property right, or any right of publicity or privacy; (e) the Work contains nothing libelous, defamatory or otherwise contrary to law; (f) the Author(s) has read, understands, and acknowledges and agrees to follow and be bound by the Author Guidelines provided to Author(s) by AANLCP from time to time, and (g) you have full power and authority to enter into this agreement.

AMERICAN ASSOCIATION OF NURSE LIFE CARE PLANNERS

For the removal of doubt, in the event the Work contains any material from another work (whether registered, unpublished or otherwise), you must provide such information regarding the other work and the owner(s) thereof and provide a reference list with due credit to the owner(s). Moreover, you must obtain all required licenses and consents from the owner(s) of such other works by the "Second draft" date listed above under "Timeline."

You agree to indemnify, defend and hold harmless AANLCP and its affiliates, and its and their respective officers, directors, employees, agents, affiliates, successors, and assigns, from and against all claims, judgments, liabilities, settlements, demands, suits, actions, losses, costs, damages, and expenses, including attorneys' fees and disbursements (each a "Claim" and collectively, "Claims") that AANLCP (or any of the abovementioned persons or entities) may sustain arising from or relating to any breach by you of your representations, warranties, or other obligations hereunder, including but not limited to: (1) any scandalous, libelous, or unlawful matter contained in this Work, (2) against any infringement or violation by this Work of any copyright or property right, or (3) in the event that AANLCP must go to court to enforce or defend the terms of this contract. If any such Claim is instituted, AANLCP shall promptly notify the Author(s), who shall fully cooperate in the defense thereof.

In exchange for the assignment, conveyance and transfer of ownership set forth herein, AANLCP will provide editorial services in preparing the work for publication. You are hereby granted a limited, non-exclusive, non-transferable, and non-assignable license to make copies of all or part of this Work for distribution in your place of employment, and for use in classroom teaching, with due credit to AANLCP (as instructed by AANLCP from time to time), as approved in advance by AANLCP at AANLCP's sole discretion.

Compensation

The Author(s) acknowledge and agree that the Author(s) will receive no monetary or other compensation for any sale, lease, rental, display, performance or other use of the Work (or any portion thereof), but the Author will receive consideration through the appropriate attribution (the form of which shall be at the sole discretion of AANLCP).

The terms of this agreement, and all parties' rights as set forth in it, will be determined in accordance with the laws of the State of Pennsylvania.
