

## AASBO 2013 Legislative/State Board Agenda

---

1. **Student Reporting Requirements** – Work to support implementation of an improved system for counting students.
2. **School Bonds** – Increase the bonding capacity from the current 1/3 of constitutional limit to 2/3 of the constitutional limit.
3. **Funding of School Finance Formula** – Work with the legislature, other education groups, and the business community to start to restore the existing budget cuts and to fund new mandated requirements for schools
4. **Calculation of Budget Cuts** – Work to ensure that any budget reductions are calculated on a per pupil basis rather than a statewide total reduction that must be calculated by the Arizona Department of Education.
5. **200 Day School Year** – Work to make the 200 day school year provision reflect the increased cost of extending the school year and to increase flexibility in implementation.
6. **ECA Program Administration** – Work to allow schools to retain up to 5% of funds for program administration.
