Dear Colleague,

On behalf of the Executive Council of the American Association of Teachers of German, I would like to commend you and your students for participating in the 2018 AATG National German Exam for High School Students.

Nearly 20,500 students participated in the program this year, and your students' involvement in this national competition brings honor to your school, your district, and your German program. The AATG salutes the tremendous work you do every day preparing students for tomorrow's world with skills in German that will enhance their educational and career opportunities.

We greatly appreciate the support the German program has from your administration and we are especially grateful for your involvement and dedication to students.

Thank you for participating in this valuable program. We wish you and your students continued success in German!

Sincerely,
