Mark your calendars for next summer! Anticipate a stimulating professional development program with sessions, workshops, and more for all levels of Spanish and Portuguese educators and other language professionals. We are in full swing planning local excursions and community service projects in Puerto Rico. The conference will be held in the beautiful, newly renovated Caribe Hilton Hotel, San Juan where we will have a room block with a special conference rate per room. Watch for additional information soon! The Call for Proposals will open this fall!

THANK YOU, ONE AND ALL!  
¡GRACIAS, SAN DIEGO!

We concluded another successful annual conference in spite of several minor earthquakes and some unanticipated hotel construction! Two short weeks ago, over 600 language educators, students of Spanish and Portuguese, administrators, exhibitors and sponsors came together in San Diego, California, to share their research, ideas and products, to network, and to continue to promote Spanish and Portuguese teaching and learning in the United States and beyond. We especially want to express gratitude to all presenters for your willingness to share with your peers. At the bottom of this message, enjoy a few images from the conference!

Many of you requested the link and contact information of our inspiring keynoter Zoe Weil of the Institute of Humane Education who converted us into solutionaries in the short time that she spent with us! She signed copies of her book The World Becomes What We Teach for our members. She wowed us with beginning her talk in Spanish – gracias, Zoe!
