CONTRIBUTING TO PUERTO RICO’S TOURISM EFFORTS AT AATSP CONFERENCE

The AATSP is proud to host our 102nd Annual Conference on the resilient island of Puerto Rico! Two years after Hurricane María, Puerto Ricans continue their journey in rebuilding their economy. Today, tourism contributes to roughly 10% of Puerto Rico’s GDP and is expected to return to pre-hurricane levels. Join us at our conference next summer and be a part of this grand effort. You can visit our conference webpage for the latest news and updates. Start planning your summer with us!

MEET OUR FEATURED EXHIBITOR – Spanish Studies Abroad

For over 50 years, Spanish Studies Abroad (The Center for Cross-Cultural Study) has been providing immersive cultural experiences for North American high school and college Spanish learners to study in Spain and Latin America. This year, Spanish Studies Abroad will be hosting a Group Site Visit from July 5-8, 2020 in our San Juan location prior to the AATSP Conference. This site visit will provide an insider’s perspective on our university short-term and semester study abroad programs in San Juan, as well as a better understanding of the unique experiences we provide for students – whether through a faculty-led custom program or individually-enrolled programs. Highlights include class visits to the Universidad del Sagrado Corazón (USC), guided tour of Old San Juan with USC History Professor, visit to El Yunque tropical rainforest and Luquillo Beach as well as a day trip to Casa Pueblo in Adjuntas with a stop in Ponce.

For more information, please email info@spanishstudies.org or visit our
website to learn about all of our locations and programs for study abroad opportunities in Spain, Puerto Rico, Cuba and Argentina.
