STEPS TO START A NEW SHA CHAPTER

The Sociedad Hispánica de Amistad is a national organization. Each school has its own local chapter of SHA. These chapters are different than AATSP chapters, which are for teachers. A student is inducted into a local chapter at his or her school.

1. Become a current member of AATSP.

2. Read the SHA Bylaws and Chapter Guidelines to ensure your plans for the chapter fall within the national guidelines.

   a. Select your first choice for the name of your chapter.
   b. Pay the one-time $25 charter fee. You may pay by credit card or select the “Check/Money Order” option to create an invoice to mail with a check. Please allow 5-10 business days after payment and correct information are received for processing.

4. Register new members online and submit $5 membership fee per initiate.

5. Hold your first induction ceremony. Scripts are available online in Spanish and English.
