

Association of Avian Veterinarians 46th Annual AAV Conference & Expo Auction Donation Form

Thank you so much for your generous donation to the AAV Auction. All proceeds generated from the auction go towards the Companion and Wild Bird Health Research Funds. These funds support valuable research projects that advance the field of avian medicine. AAV has distributed over \$750,000 to research projects. This would not have been possible without your generous contributions. All donations are 100% tax deductible.

The auction will take place at the 46th Annual AAV Conference & Expo in Phoenix, Arizona, October 3-6, 2025. We are hosting a silent auction with select items featured for online and in-person bidding this year.
