Attention ALL, especially faculty and program directors:

Publish in JADA! Submit your case reports or special treatments to PAIN UPDATES. Don't miss the chance to publish or see your students published.

The image shows a promotional graphic for JADA. It features the ADA American Dental Association logo in the top left, the large green JADA logo in the center, and the text "THE JOURNAL OF THE AMERICAN DENTAL ASSOCIATION" below it. Below the logo, it lists Gary M. Heir, DMD as the Section Editor for Pain Update, with his title, affiliation (Rutgers University School of Dental Medicine), and email address (heirgm@gmail.com). At the bottom, there is a green bar with the Elsevier logo and the website address jada.ada.org.

A word from CODA

If you are interested in performing the duties of a CODA Site Inspector for OROFACIAL PAIN programs, contact Peggy

Soeldner at [soeldnerp@ada.org](mailto:soeldnerp@ada.org). Contact me if you have any questions.

## **FLORIDA**

**DISNEY'S GRAND FLORIDIAN RESORT & SPA**

The World Congress attracts over 5000 colleagues that professionally are involved with pain and pain management (all medical disciplines, psychologists, physical therapists, nurses, etc.) as well as excellent clinical and basic researchers.

All info and the program can be found via

<https://www.iaspworldcongress.org/>

It is a unique opportunity to meet each other this time in Amsterdam for this extremely broad, multidisciplinary and important congress, that allows The acquisition of knowledge and new friends.

Several specific sessions on Orofacial Pain and Headache will be organized:

- A full-day Symposium on "Mechanisms of chronic Orofacial Pain" sponsored by the SIG Orofacial Pain and Headache
- Half-day Refresher courses on Mechanisms of Neuropathic Pain, on Headache, on Fibromyalgia.
- Topical Workshops on Neuropathic Orofacial Pain, on Heterotopic Pain in the orofacial area, on Migraine....

In addition, 2500 poster submissions are expected.
