A few things to do when time permits ...

POST CONFERENCE EVENT - WEDNESDAY - 4:45 - 8:00 pm

USS MIDWAY MUSEUM DINNER AND SELF-GUIDED TOUR

Tickets - \$50.00

The Southern California Chapter of the ABPA is sponsoring this post-conference event. Spend the evening with the Southern California Chapter and enjoy a tour and dinner on the USS Midway.

Experience Life at Sea Without Leaving Port! Imagine experiencing life at sea aboard one of America's longest-serving aircraft carriers. Visitors to the USS Midway Museum enter a floating city at sea and walk in the footsteps of 225,000 Midway sailors who served our country and upheld the American ideals of strength, freedom and peace.

The USS Midway Museum is an unforgettable adventure for the entire family. Guests can spend the time exploring more than 60 exhibits with a collection of 29 restored aircraft. The self-guided audio tour, narrated by Midway sailors, brings the carrier's history to life. Those who dare can "take to the sky" aboard one of two flight simulators.

Included is an All American BBQ Buffet Dinner at the USS Midway Fantail Sponson Deck; a semi-private outdoor covered patio overlooking San Diego Bay, the Coronado Bridge and downtown skyline.

Transportation is on your own, however the San Diego Trolley stops near the hotel and drops off at the USS Midway Museum area.
