Academy of Neonatal Nursing®

Kudos from Past Attendees

"Excellent conference. I enjoyed it immensely. Great to attend the ANN membership meeting. The poster sessions presentations were excellent. It gives us a forum to present evidence-based research."

"The strength of this conference was the Planning Committee did a FABULOUS job putting it together. It was well organized and fit my educational needs perfectly. VERY PROFESSIONAL, but fun!!"

"It was nice to get out and meet other nurses and vendors. There is so much to learn, and I love that I get the opportunity to attend and increase my knowledge."

"Thank you for always providing relevant topics and great speakers!"

"Everything was informative and useful in my practice. All of the speakers were very dynamic and held my attention!"

"I had so much to share with so many people engaged in various projects that aligned with conference topics. Thanks!"

Choose the Conference That Works for You!

ANN provides two concurrent conferences for neonatal nurses. Our Low Risk conference is for Level I and II neonatal nurses or those new to the NICU. The Advanced Practice Conference is for neonatal AP nurses (NNPs, CNSs, and experienced staff nurses). Each conference offers a variety of general sessions and workshops. Explore the programs and decide which conference best meets your needs.

Preconference Sessions

Topics and Speakers are Subject to Change

Call for Abstracts

We invite you to submit an abstract for a poster or podium presentation to present at this outstanding conference. Posters and podium presentations offer the perfect opportunity to network, exchange ideas, and improve the quality of nursing care. See academyofneonatalnursing.org for guidelines and submission information. Submission deadline is February 15, 2022. Poster abstract submissions are welcome for both conferences, podium abstracts are for the *Advanced Practice program only.*

Statement of Purpose

The purpose of this conference is to provide clinically current information on the technical, medical, and nursing aspects of neonatal care. The educational sessions provide information to nurses and other health care professionals who care for newborn, premature, and ill infants and their families. Specific objectives for each presentation will be listed in the conference program materials.

Continuing Education

Attendees may earn up to 27 contact hours of continuing nursing education for this conference, based on a 60-minute hour. Main conference sessions provide 14 contact hours, preconference sessions up to 7.5, and poster sessions up to 5. Participants must be registered for the conference, attend at least 90% of each session, and complete evaluations to earn continuing education contact hours.

The Academy of Neonatal Nursing is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The provider, the Academy of Neonatal Nursing, is approved by the California Board of Registered Nursing, Provider #CEP 6261; Florida Provider #FBN 3218, CE Broker #50-3006.

Weather

Typical temperatures in Orlando in May will get up to about 86 degrees during the day and a low of 65 degrees in the evenings.
