Professional Practice (Code 5)	• 10th ANNual Symposium for Nurse Leaders • Challenges of Neonatal Care for Mother-Baby Nurses: Broad Review from Common to Uncommon Care • The Great (Re)Engagement: Rediscovering your Passion, Purpose, and Path Forward • Neonatal Dogmas • What's Equity Got to Do with It? Improving Neonatal Outcomes by Addressing Determinants of Health

	• Interacting with Parents and Families in the NICU • Podium Presentations • What are the Barriers to Providing Palliative Care to Babies Who are Not Expected to Survive? • From Stigma to Support: Addressing Bias when Caring for Women with Substance Use Disorders • Ethical Dilemmas: Family Refusal of Treatment • The Most Common Patient Safety Issues Resulting in Legal Action against Neonatal Advanced Practice Nurses

MNN Codes	Session Titles
Pregnancy, Birth Risk Factors and Complications (Maternal/Neonatal Factors Affecting Outcomes) (Code 1)	• The Impact of the Legalization of Marijuana on the Neonate • Sexually Transmitted Infections: A Primer for the NICU Nurse
Newborn Assessment, Management and Complications (Code 3))	• Bilirubin Management (Back to Basics) • Thermoregulation (Back to Basics) • Sweeten Up: Managing Hypoglycemia (Back to Basics)
Professional Practice (Code 4)	• Challenges of Neonatal Care for Mother-Baby Nurses: Broad Review from Common to Uncommon Care • The Great (Re)Engagement: Rediscovering your Passion, Purpose, and Path Forward • What's Equity Got to Do with It? Improving Neonatal Outcomes by Addressing Determinants of Health

Specialty codes	Session Titles
Care of the Extremely Low Birth Weight Neonate (Code 7)	• Nutritional Management of the Preterm Infant • Thermoregulation (Back to Basics) • Assisted Ventilation Strategies: From the Ground Up (Back to Basics) • Age is Just a Number: Sweden, Volvos, and Really Tiny Babies • Assisted Ventilation in 2023: What is New, Old, or Different and Does it Matter? • Less Invasive Surfactant Administration (LISA) • Thriving in Today's Health Care Environment
Neonatal Neuro-Intensive Care » NNIC (Code 20)	• Update on NEC: Finding Zero • The Maybe Baby: An Approach to Managing the Infant with Mild HIE

CODING FOR NCC MAINTENANCE

Fall 2022 Mother Baby Nurses Conference

September 7–10, 2022

Competency categories are provided for your information. The final decision regarding the competency categories is at the discretion of NCC. Codes are for NCC CCA Tests taken on/after April 1, 2020.

LRN Codes	Session Titles
Mother/Fetus (Code 1)	• Obstetric Maternal Sepsis Bundle • The Puzzle of Pre-eclampsia: Creating an Escape Room to Reinforce the Principles of Pre-eclampsia Care • We Brought VBAC Back!
Physical Assessment and General Management (Code 2)	• Swallow Dysfunction and Infant-Driven Feeding: It's a Lot to Digest • Weed to Know: Cannabis in Pregnancy and Breast Feeding—Why Shouldn't I Use? • No Mother Left Behind: Reducing Breastfeeding Disparities in the African American Community • The Taste of Sweet Success: Oral Glucose Gel for Newborns with Asymptomatic Hypoglycemia
Assessment and Management of Pathophysiological Conditions and Neonatal Complications (Code 3)	• Neonatal Hyperbilirubinemia: How to Mellow Out the Yellow • Panel Discussion: Palliative Care in the Perinatal Setting

Pharmacology (Code 4)	• Neonatal Pharmacology, Part I: Go with the Flow: Pharmacotherapy for Hypotension and PDA • Neonatal Pharmacology, Part II: Breath Easily and Go with Your Gut: Pharmacotherapy for BPD Prevention and Neonatal Gastrointestinal Challenges
Professional Practice (Code 5)	• Death of the Skills Fair: Competency Assessment Done the Wright Way • Leading From the Front: Managing Change and Competencies to Improve Care • Legal Risk and Professional Responsibility: REAL Survival Skills! • Improving Quality Improvement: A Hands-On Methods Workshop • Legal Tools Mother Baby Nurses Need to Know • Doing What We Do…With a Lot Less! • Are We Safe—Electronically Speaking? • Our Journey to Family-Centered Care in the OR • You are Entering the Danger Zone: How to Actually Be the Best Place to Work! • No Mother Left Behind: Reducing Breastfeeding Disparities in the African American Community • Podium Presentations • Battling Bias: Centering the Lived Experience to Advance Perinatal Care • Nursing: The Future is Ours!

MNN Codes	Session Titles
Pregnancy, Birth Risk Factors and Complications (Code 1)	• Obstetric Maternal Sepsis Bundle • The Puzzle of Pre-eclampsia: Creating an Escape Room to Reinforce the Principles of Pre-eclampsia Care • We Brought VBAC Back!
Maternal Postpartum Assessment, Management and Complications (Code 2)	• A Modern Take on the Motherhood Fable: The Reality of PMADs and a Framework to Mitigate Them • Weed to Know: Cannabis in Pregnancy and Breast Feeding—Why Shouldn't I Use? • No Mother Left Behind: Reducing Breastfeeding Disparities in the African American Community

Newborn Assessment, Management and Complications (Code 3)	• Swallow Dysfunction and Infant-Driven Feeding: It's a Lot to Digest • Neonatal Hyperbilirubinemia: How to Mellow Out the Yellow • The Taste of Sweet Success: Oral Glucose Gel for Newborns with Asymptomatic Hypoglycemia • Panel Discussion: Palliative Care in the Perinatal Setting
Professional Practice (Code 4)	• Death of the Skills Fair: Competency Assessment Done the Wright Way • Leading From the Front: Managing Change and Competencies to Improve Care • Improving Quality Improvement: A Hands-On Methods Workshop • Doing What We Do…With a Lot Less! • No Mother Left Behind: Reducing Breastfeeding Disparities in the African American Community • Legal Tools Mother Baby Nurses Need to Know • Are We Safe—Electronically Speaking? • Our Journey to Family-Centered Care in the OR • You are Entering the Danger Zone: How to Actually Be the Best Place to Work! • Podium Presentations • Battling Bias: Centering the Lived Experience to Advance Perinatal Care • Nursing: The Future is Ours!

INPT OB Codes	Session Titles
Fetal Assessment (Code 1)	
Labor and Delivery (Code 2)	• We Brought VBAC Back!
Pregnancy and Obstetric Complications (Code 3)	• Early Recognition of Maternal Compromise • Obstetric Maternal Sepsis Bundle • The Puzzle of Pre-eclampsia: Creating an Escape Room to Reinforce the Principles of Pre-eclampsia Care
Postpartum (Code 4)	• A Modern Take on the Motherhood Fable: The Reality of PMADs and a Framework to Mitigate Them • Weed to Know: Cannabis in Pregnancy and Breast Feeding—Why Shouldn't I Use? • No Mother Left Behind: Reducing Breastfeeding Disparities in the African American Community

Newborn (Code 5)	• Swallow Dysfunction and Infant-Driven Feeding: It's a Lot to Digest • Neonatal Hyperbilirubinemia: How to Mellow Out the Yellow • The Taste of Sweet Success: Oral Glucose Gel for Newborns with Asymptomatic Hypoglycemia • Panel Discussion: Palliative Care in the Perinatal Setting
Professional Issues (Code 6)	• Doing What We Do…With a Lot Less! • Death of the Skills Fair: Competency Assessment Done the Wright Way • Leading From the Front: Managing Change and Competencies to Improve Care • Improving Quality Improvement: A Hands-On Methods Workshop • Legal Tools Mother Baby Nurses Need to Know • Are We Safe—Electronically Speaking? • Our Journey to Family-Centered Care in the OR • You are Entering the Danger Zone: How to Actually Be the Best Place to Work! • No Mother Left Behind: Reducing Breastfeeding Disparities in the African American Community • Podium Presentations • Battling Bias: Centering the Lived Experience to Advance Perinatal Care • Nursing: The Future is Ours!
