

Spring 2024

National Advanced Practice
Neonatal Nurses Conference

March 6-9, 2024
San Diego, California

Town and Country
RESORT

Enrich Grow Refresh

There's no better way to re-energize and invest in your personal and professional growth than this Advanced Practice conference. If you prefer to learn from the comfort of your home or office, you can take advantage of our On-Demand option.

Who Should Attend

Neonatal Nurse Practitioners, Clinical Nurse Specialists, and experienced staff nurses.

Nursing Continuing Professional Development

You may earn up to 31 (24.5 for main conference) contact hours of nursing continuing professional development (NCPD) credit for this conference, based on a 60-minute hour. Contact hours are earned for conference sessions, poster review, and conference evaluation.

To earn contact hours, you must be registered for the conference, attest to your attendance of at least 90% of the session, and complete session and overall evaluations.

The Academy of Neonatal Nursing is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Provider, Academy of Neonatal Nursing, is approved by the California Board of Registered Nursing, Provider CEP 6261 and the Florida Board of Registered Nursing, Provider FBN 3218.

Learning Outcome

At the end of this conference, the learner will increase their knowledge of current information related to the technical, medical, and nursing aspects of neonatal care.

Planning Committee

Debbie Fraser, MN, NNP, CNEON(C), FCAN

Associate Professor, Athabasca University
Neonatal Nurse Practitioner
Winnipeg, Manitoba, Canada
Editor-in-Chief, *Neonatal Network*
Executive Director, Academy of Neonatal Nursing

Tori Brunett, MSN, RNC-NIC

Women and Newborns Advanced Clinician
Registered Nurse
Sharp Mary Birch Hospital
San Diego, California

Yvonne Marengo, DNP, NNP-BC

Neonatal Nurse Practitioner Supervisor
UCSD Medical Center
Division of Neonatology
San Diego, California

Jessica McElhose, MSN, NNP-BC

Neonatal Nurse Practitioner
Rady Children's Hospital
San Diego, California

PRECONFERENCE PROGRAM

(additional fee required)

Wednesday, March 6, 2024

7:00 AM—6:00 PM Registration Open

8:00 AM—5:00 PM (7.5 contact hours)

Full Day Workshop

010 - Eeny, Meeny, Miny, Moe: Cardiac, Pulmonary? I Don't Know! Clues to the Presence of CHD and Where All That Blood Flows

S.T.A.B.L.E. Cardiac Module

Kris Karlsen, PhD, APRN, NNP—BC, FAAN

One percent of all newborns will have some form of congenital heart disease (CHD) with 25% of those infants being critically ill. The physical exam of infants with CHD can reveal important clues to its presence. In this session, explore the presentation and stabilization of left- and right-sided structural heart defects and apply cases throughout the presentation to bring concepts in focus. Dr. Karlsen will also discuss some of the palliative and surgical repair options for various heart defects.

(Book included with this workshop)

NNP1 **NIC1** **NPT27** **ELBW7**

1:00—5:00 PM (3.75 contact hours)

Half Day Workshop

030 - Tiny Doses, Big Impact: Mastering Pain, Delirium, and Withdrawal Management

Tara Glenn, MD

Jennifer Kimmel, NNP

Gale Romanowski, PharmD

Explore the world of neonatal pharmacology in this informative workshop. Discover effective pain management techniques, insights into neonatal delirium, and strategies to handle withdrawal from pain and sedation medications. Gain essential knowledge to provide exceptional care for your most vulnerable patients and improve comfort in all phases of neonatal care.

NNP4 **NIC3** **Rx=3.75** **ELBW7**

Call for Abstracts

We invite you to submit an abstract for a poster or podium presentation to present at this outstanding conference. Posters and podium presentations offer the perfect opportunity to network, exchange ideas, and improve the quality of nursing care. **Click here** for guidelines and submission information. Submission deadline is January 5, 2024.

Please note, we cannot accept poster or podium submissions from owners or employees of commercial companies whose products are related to the topic of the submission.

MAIN CONFERENCE PROGRAM

Thursday, March 7, 2024

6:45—4:45 PM Registration Open

7:45—8:15 AM Welcome and Neonatal Nursing Hall of Fame Induction

8:15—9:15 AM

101 - Outcomes for Infants Born at the Limits of Viability Gestation, Managed with a Positive, Proactive Approach

Jonathan M. Klein, MD

Dr. Klein identifies global concepts for the care of periviable infants utilizing a positive, proactive, philosophical, standardized, and balanced approach. He discusses survival for infants born at 22–23 weeks' gestation in a single center utilizing these strategies, and describes short term morbidity and two-year outcomes for these infants

NNP5 NIC4

9:15—10:15 AM Exhibit Hall Open and Poster Viewing

10:15—11:15 AM

102 - Neonatal Research: What's in the Future?

Anup Katheria, MD, FAAP

Dr. Katheria explores new therapies in neonatology. He discusses future directions for neonatal care, and reviews ongoing trials in neonatology.

NNP5 NIC4

11:15 AM—12:15 PM

103 - Ventilating Premature Infants: High-Frequency Oscillatory Ventilation

Sandra Leibel, MD, MS

Dr. Leibel discusses the physiologic principles of high-frequency oscillatory ventilation (HFOV) in the newborn. She describes clinical indications for using HFOV and how to choose and adjust the settings. She concludes this session with tips on weaning from HFOV.

NNP2 NIC1 ELBW7

12:15 PM—1:45 PM Lunch on your own

Thursday, March 7 (Continued)

A Workshops (Concurrent sessions)

1:45—2:45 PM

111 & 112 Podium Presentations

Multiple Presenters

These cutting-edge presentations will bring you up-to-date on innovative research and clinical practice projects. Discover what your colleagues from across the country are doing as they share their unique experiences. A balance of clinical, research, and education-themed abstracts are presented.

NNP5 NIC4

2:45 PM—3:45 PM Exhibit Hall and Poster Viewing

3:45—4:45 PM

120 - Beyond Extreme Prematurity: Management of Periviable Infants Born at 22 to 23 Weeks Gestation from Birth to Discharge

Jonathan M. Klein, MD

Dr. Klein reviews critical differences in culture and philosophy when caring for periviable infants born at 22–23 weeks' gestation. He identifies specific differences in management strategies for aspects of care including resuscitation, ventilation, fluid therapy, skin care, nutrition, infection, and cardiovascular compromise. Importantly, he also examines how to balance competing outcomes when caring for these infants, with neuroprotection as the main priority.

NNP2 NIC2 NNIC20 ELBW7 Rx=.25

Friday, March 8, 2024

6:30 AM—4:15 PM Registration Open

7:45—9:00 AM

201 - The Future of Advanced Practice in the NICU, The Pathway to Practice

Whitney Brock, DNP, NNP-BC, ACCNS-N

Lorelie Saiki, BSN, MSN, ACNP, NNP

April McDonald, DNP

We will explore the different pathways to practice as a NNP in the United States as well as similarities and differences in practice from state to state. We will illustrate opportunities for role expansion as an independent contractor and ideas for business models.

NNP5

9:00—10:00 AM

202 - Neurodevelopmental Outcomes for Extremely Premature Infants

Joseph Kaempf, MD

We know survival rates have increased for extremely premature infants born <26 weeks gestation, but have neurodevelopmental outcomes improved? Why is avoiding brain injuries in 22-23-24-25 week infants so elusive? Why can't we improve neuropsychiatric health? Are CNS outcomes actually worsening? Are we following AAP and ACOG recommendations to engage in authentic shared decision-making with pregnant women and families? Are they truly given the option to choose either NICU care or palliative comfort care? Has the medical-industrial complex made extreme prematurity the birth of tragedy?

NNP5 NIC4 NNIC20 ELBW7

10:00 AM—11:15 AM Exhibit Hall and Poster Viewing

11:15 AM—12:15 PM

203 - Love in the Time of STIs

Sarah Fleming, MD

Sexually transmitted infections (STIs) are rampant in our communities and as most of our patients have become pregnant via sexual reproduction, it isn't a surprise that they also may be carrying a sexually transmitted disease. Dr. Fleming focuses on the common STIs that affect women of childbearing age and have consequences on the fetus/neonate.

NNP2 NIC2

Friday, March 8 (Continued)

B Workshops (Concurrent sessions)

12:15—1:30 PM Lunch Break - Exhibits & Posters Open

1:30—2:30 PM

211 & 212 - Podium Presentations

Multiple Presenters

These cutting-edge presentations will bring you up-to-date on innovative research and clinical practice projects. Discover what your colleagues from across the country are doing as they share their unique experiences. A balance of clinical, research, and education-themed abstracts are presented.

NNP5 NIC4

C Workshops (Concurrent sessions)

2:40—3:40 PM

221 - Building a Neuro-NICU Team: Empowering Excellence and Optimizing Outcomes

Rachelle Sey, PhD, APRN, CNS, RNC-NIC

Advances in treating the injured neonatal brain have given rise to neuro-intensive care services for newborns. Dr. Sey explores how to build an effective neurologic intensive care nursery team. She will describe the structure, process, and outcomes used to build a core team of neonatal nurses focused on providing care to infants experiencing neonatal brain injury.

NNP5 NIC4

2:40—3:40 PM

222 - Triple Aim Quality Improvement in Extremely Premature Infant Care

Joseph Kaempf, MD

The Triple Aim is the vaunted “North Star” of quality improvement, and the ultimate target for all evidence-based activities: a) enhance overall population health, b) improve individual care whatever the category, and c) reduce cost. Yet nobody in any specialty, in any country, has ever demonstrated this with a large sample size. Dr. Kaempf uses sophisticated, relevant, premature infant outcomes data from the Vermont Oxford Network “POD” long-time collaboration to illustrate the Triple Aim for the first time. Is the Triple Aim realistic? A proper goal? “Triple Aim” or “Iron Triangle”?

NNP5 NIC4

D Workshops (Concurrent sessions)

3:50—4:50 PM

231 - BEND and SNAP: How Can Bedside Engagement in Neurodevelopment (BEND) Improve Care for Sick Neonates and Premature Infants (SNAP)?

Rebecca A. Dorner, MD, MHS

Dr. Dorner will describe a novel family-centered neurodevelopmental rounds program using a multidisciplinary, developmental evaluation team centered around infants and families. She discusses state-of-the-art neurologic examinations, developmental therapies, parent-informed qualitative data, and will brainstorm ideas for how to advance developmental care in individual units.

NNP5 NIC4 NNIC20

3:50—4:50 PM

232 - What Families Face After the NICU and How the NICU Can Prepare Them

Stephanie Schmitt, MD

Kimberly Bower, MD, FAAHPM, HMDC

TBD

NNP1 NIC2 ELBW7

Saturday, March 9, 2024

7:00—11:45 AM Registration Open

8:00—9:00 AM

301 - The Power of Human Milk

Lars Bode, PhD

Human milk is at the very interface of maternal–infant health. Yet, how human milk affects immediate and long-term health and development of the breastfed infant and also benefits maternal health is poorly understood. Dr. Bode discusses the University of California San Diego Human Milk Institute’s aim to better understand and harness the power of human milk and breastfeeding to benefit the lives of all people.

NNP3 NIC1

9:00—10:00 AM

302 - Neonatal Hypoxic-Ischemic Encephalopathy (HIE)

Jeffrey Gold, MD, PhD

In this session Dr. Gold discusses the diagnosis, treatment, and outcomes for infants with hypoxic Ischemic encephalopathy.

NNP2 NIC2 NNIC20 Rx=.25

10:00—10:15 AM Coffee and Tea

10:15—11:15 AM

303 - Genetic Testing Strategies in the Neonatal Intensive Care Units

Jeanne Carroll, MD

Dr. Carroll discusses genetic tests used in the NICU and the utility of each. She will focus on the evolving evidence and active areas of research around whole genome and whole exome sequencing in the NICU.

NNP2 NIC2

11:15—12:15 PM

304 - Nursing Ninjas: Turbocharging in Chaos

Sherri Simons, MSN, RNC-NIC, CCRN

Nursing is one of the most rewarding and challenging professions in health care. During a long shift, nurses and advanced practice nurses may take on demanding workloads due to staffing shortages; endure workplace bullying; risk exposure to infection; and, despite all their professional experience, still lose patients. Join this session to learn how to thrive and work in a “Team of Team’s” that can revolutionize healthcare operations through partnerships for transformative change. YOU are in charge!

NNP5 NIC4

12:15—12:30 PM Concluding Remarks

*Note: Topics and speakers are subject to change
All times listed are in the Pacific Time Zone.*

NCC codes

NNP	Neonatal Nurse Practitioner
NIC	Neonatal Intensive Care
ELBW	Care of the Extremely Low Birth Weight Neonate
NNIC	Neonatal Neuro-Intensive Care
MNN	Maternal-Newborn Nursing
Rx	Pharmacology
NPT	Neonatal Pediatric Transport

Looking for an Online Option? Purchase the On-Demand Conference

Purchase access to the conference for convenient, on-demand viewing beginning March 26, 2024.

You will have access to any recorded lectures (synched with slides) from the conference to view or listen to anytime from the convenience of your work, home, or mobile device. This purchase includes over 17 lectures! (This conference will not be live-streamed.) You will have a full year to evaluate the sessions and earn up to 24 hours of Nursing Continuing Professional Development (NCPD).

Group Discount for ANN Members

Any facility registering four (4) or more ANN members together for the main conference, will qualify to receive a \$50 discount per registrant. NOT A MEMBER? Non-members can join ANN and then register as part of a group. Please allow two business days to process your membership. All group registrations must be submitted together, no exceptions. Please note: If a member of the group cancels, becoming a group of less than 4, the group is no longer eligible for this discount and the discount is forfeited. Cannot be combined with any other offer. One discount per registrant.

Attention NNP and DNP Students!

ANN invites you to submit a poster of your capstone project for our 4th Student Poster Showcase. This exclusive opportunity will allow you to present your work to 300+ AP colleagues. Please select "Poster: AP Student Showcase" during the submission process. Prizes will be awarded for the best student poster. Submission Deadline is January 5, 2024.

Photography

Please note that attendance at this conference constitutes an agreement by the participant to ANN's use and distribution (now and in the future) of the participant's image. These images are for ANN's use only and may appear on ANN's website, in printed brochures, or other promotional materials.

Weather

In March, the weather in San Diego will have average temperatures in the mid 60's during the day and low 50's at night. Be sure to pack a sweater for air-conditioned conference rooms in the hotel and comfortable walking shoes for your conference activities.

Airport & Transportation

San Diego International Airport (SAN) is less than 8 miles away and approximately 20 minutes in a taxi. We recommend using ride sharing apps to get around town.

Delta Airlines

Delta Air Lines is pleased to offer special discounts.

You may also call Delta Meeting Network® at 1.800.328.1111* Monday–Friday, 7:00 AM – 7:30 PM (CT) and refer to Meeting Event Code: NY2EB

** Please note there is not a service fee for reservations booked and ticketed via our reservation 800 number.*

Hotel Information

Town and Country Resort
500 Hotel Circle North
San Diego, CA 92108
Phone: 619-291-7131

A block of rooms has been secured at the special rate of \$215 Single/Double. This rate is subject to applicable state and local taxes, currently 12.8%. This rate is available until February 4, 2024.

In addition to the rates set forth above, there will be a daily Hotel Services Charge of \$10.00 per day, plus San Diego Tourism District Assessment, which is currently 2.0% per room, per night, and applicable taxes which are currently 10.5%.

Hotel Services Charge includes the following:

- Guest Room Wi-Fi
- Unlimited access to the Fitness Center
- Coffee, Tea and Decaf Coffee in your guest room

Check-in is 4:00 PM and Check-out is 11:00 AM.

Parking

Discounted parking for all attendees: \$20 per day for hotel guests, and \$5.00 per hour not to exceed \$25 per day for non-guests.

Avis Rental Car

Your Avis Worldwide Discount or AWD number is J907463.

When calling Avis at 1 (800) 331-1600 to make reservations, attendees should provide our reservations agents with this AWD number to ensure they receive the best available car rental rates.

The AWD will be effective from seven days prior to the event until seven days after the event.
