Preconference Day May 3

Spring National Advanced Practice Neonatal Nurses Conference

Downtown Waterfront Marriott

Portland, Oregon
Portland is the city of nicknames. Locals and transplants show their affection for this quirky city by embracing it with more nicknames than most. Whether you call it the City of Roses, P-Town, Rip City, Stumptown, PDX, Beervana, or Bridge City, keep it weird by joining us here! In Portland you’ll find lots of green…nature abounds! Take a walk through Forest Park, it offers an unparalleled opportunity for visitors to experience a true Northwest forest without leaving the city limits. Be sure to grab a bite at one of Portland’s food trucks. This is the city that started the Twitter-friendly food truck movement. Visit the famous (and free) International Rose Garden; Powell’s Books, the world’s largest independent bookseller; or just wander downtown for great food (don’t miss Voodoo Doughnuts), local microbrews, and a city vibe unlike any other.

Just a short ride from the city, you’ll find the wine-tasting region of the Willamette Valley, home of world renown Pinot Noirs and the spectacular Columbia River Gorge National Scenic Area that cuts through the Cascade mountains and includes stunning Multnomah Falls and Mt. Hood.

Let ANN provide you with an excellent program, while earning your CNE contact hours, and help you ensure the best possible patient outcomes. All this, while you experience this beautiful part of the Northwest.
