

How to Download Your Continuing Nursing Education Transcript

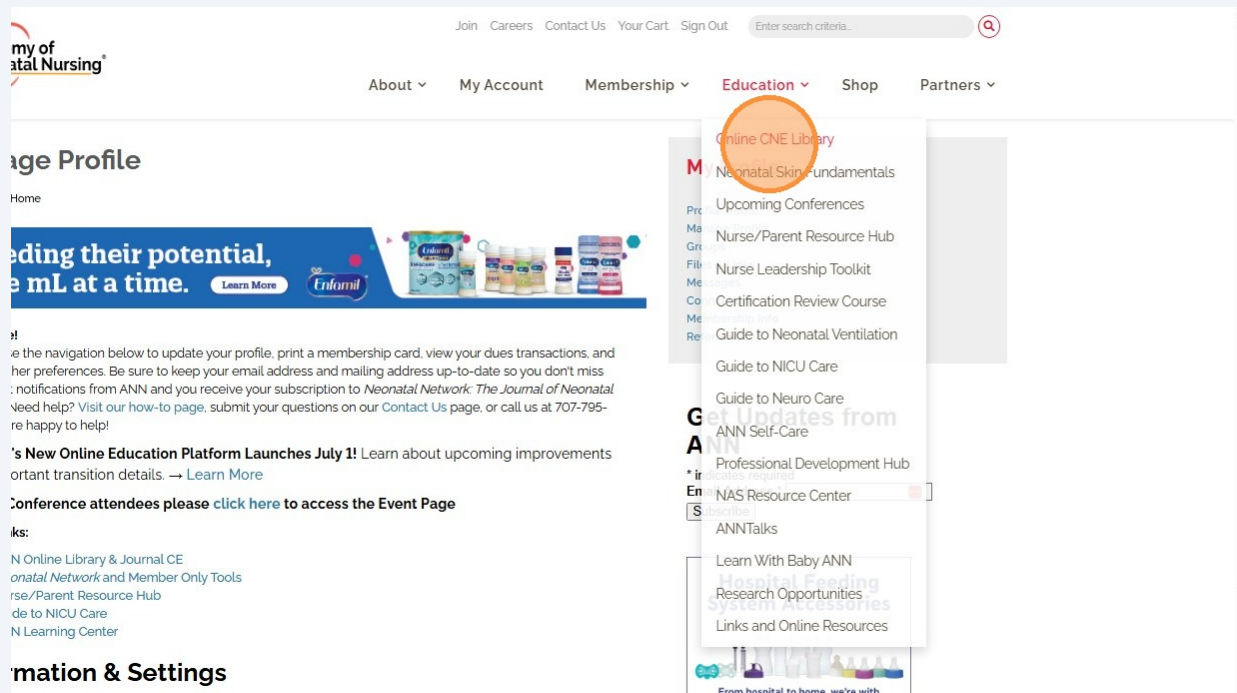

This guide provides simple steps to access and download your official CNE transcript and individual certificates. It is an essential resource for nurses who need to maintain their professional records and verify completed coursework.

1 Log into your member account at www.academyonline.org

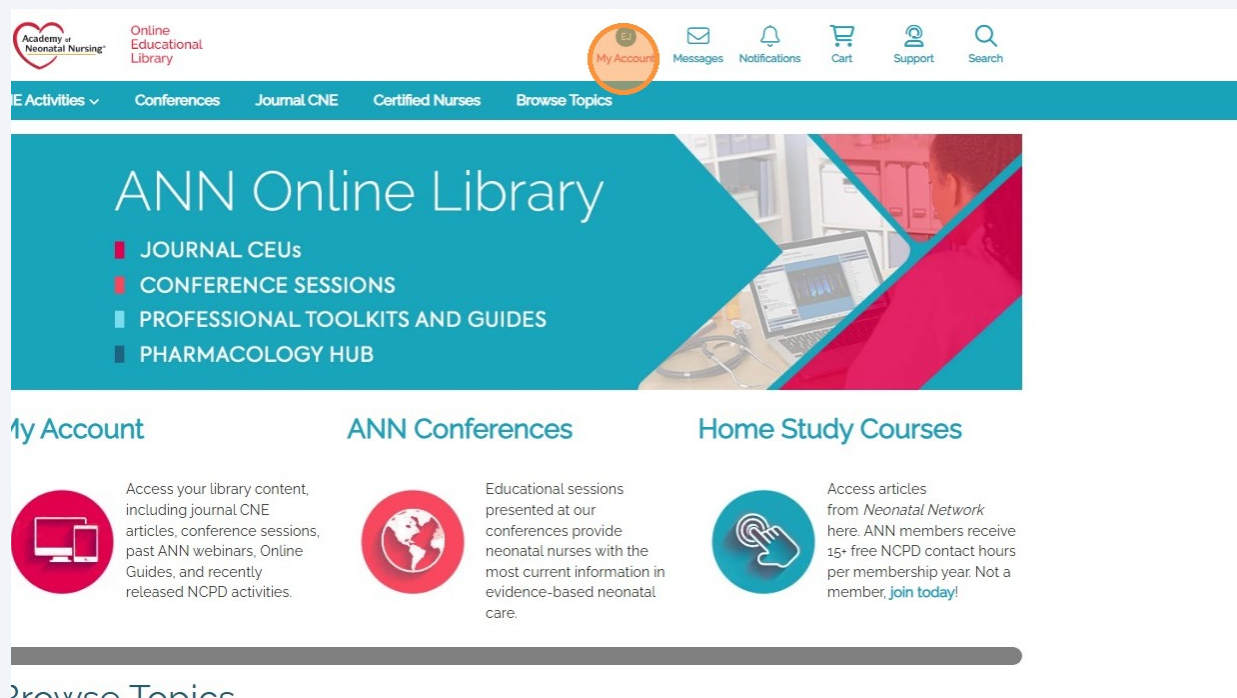

2 Hover over the "Education" Dropdown menu item.

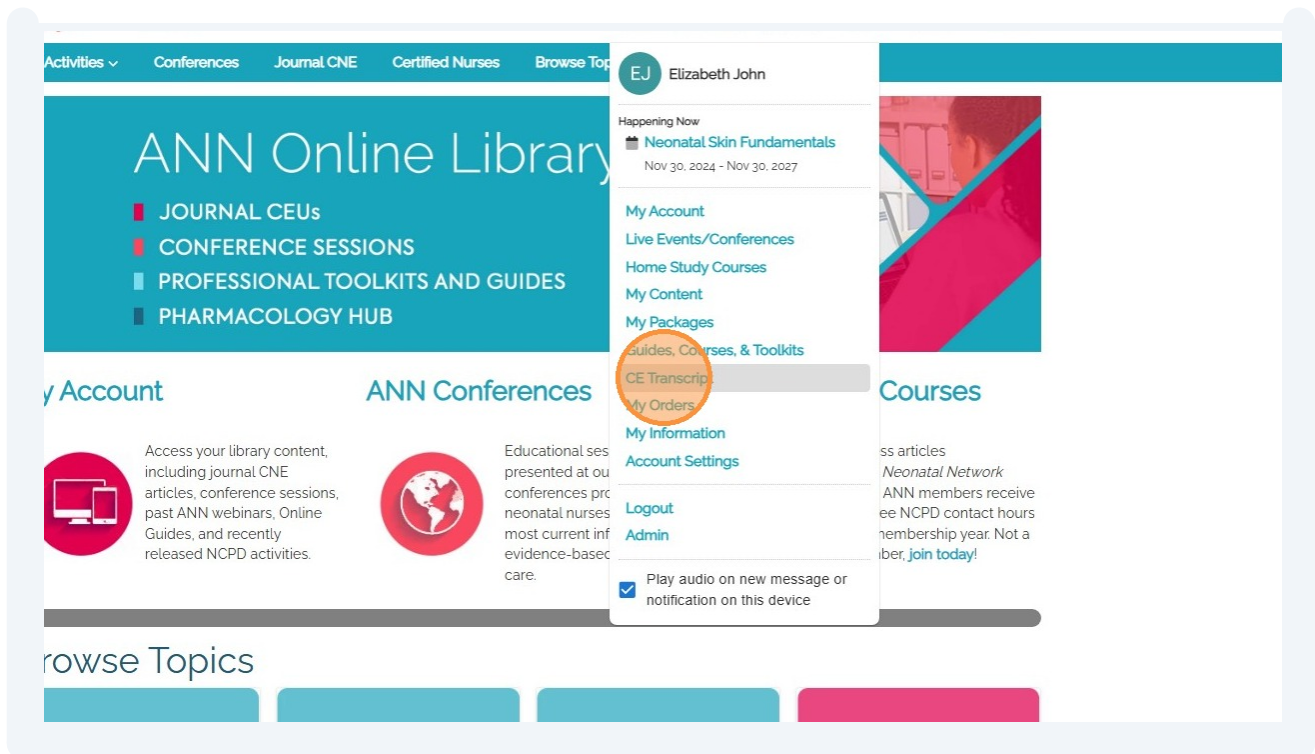

3 Click "Online CNE Library"

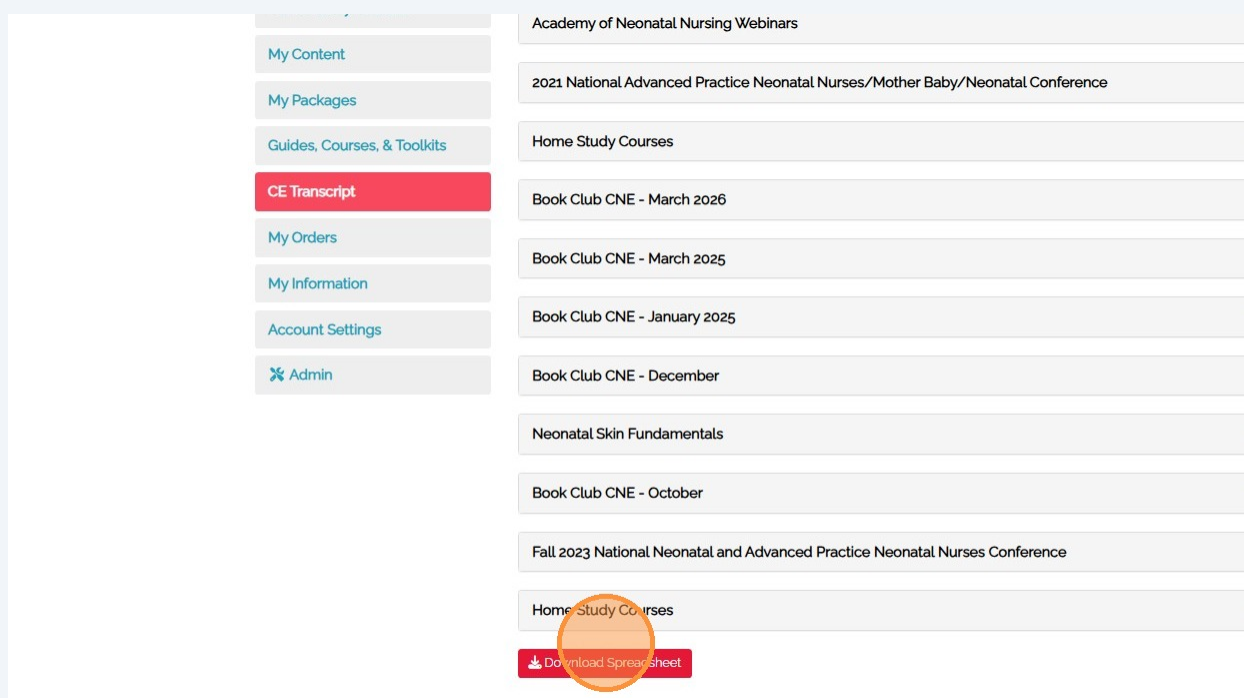

4 Select 'CE Transcript' from My Account menu.

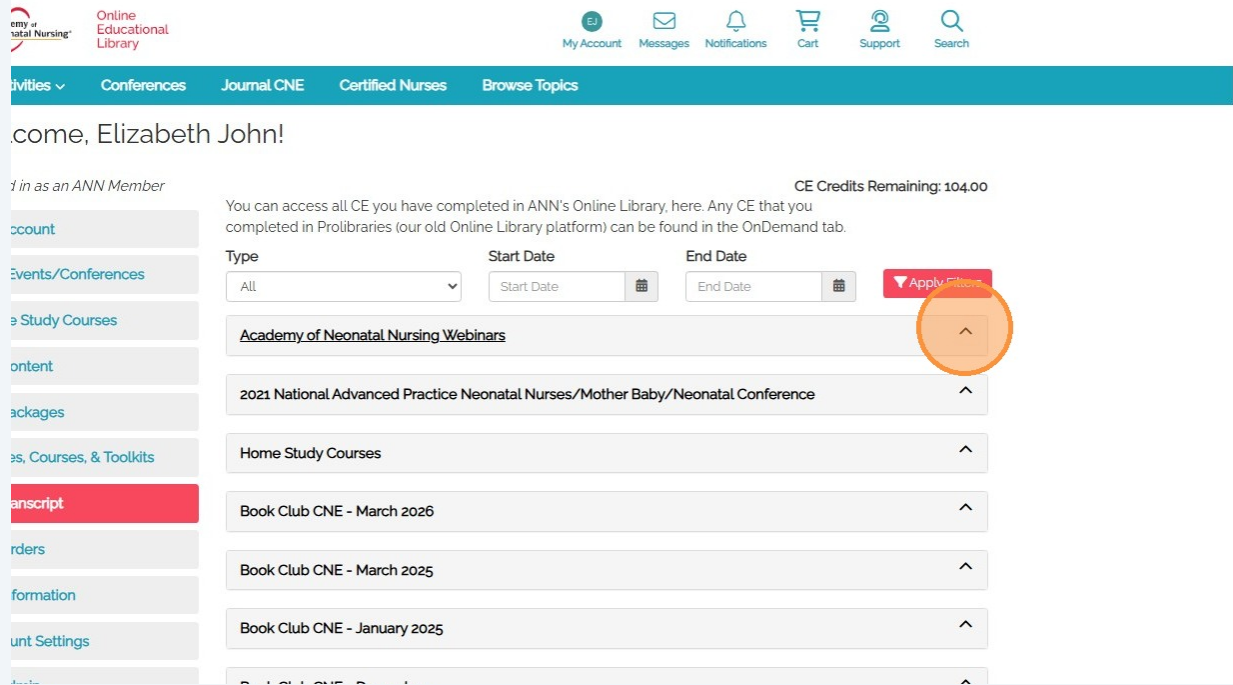

5 Click "Download Spreadsheet"

6 Your spreadsheet should automatically download, and will contain all CE earned on the site.

7

If you want to download individual certificates, click a category header to expand section.
