7th ANNual Symposium for Nurse Leaders

Celebrating YOU!

Bally’s Hotel
Las Vegas, Nevada

September 9–12, 2020
7th ANNUAL Symposium for Nurse Leaders

8:00 AM–4:00 PM Full Day Session (6.5 contact hours)

Are you a nurse leader who inspires and motivates your team? Someone interested in future leadership roles? Perhaps you are hoping to enhance your skills so you can advance to the next level of leadership? This day is for you!

010 Leaders Don’t Drive Engagement—It’s a Carpool!
Marlee Crankshaw, DNP RN CNML
Stephanie Abbu, NP, RN, CNML

Our speakers will share strategies and tools that are used successfully to boost retention and raise engagement scores. Using real life examples from the speakers’ own institution, you will take away practical ideas to bring your team together to achieve your unit’s goals.

Leadership by Design
Pamela Smith-Beatty, MSN APRN-BC

We’ve all faced the dilemma of working with someone who was not an effective nurse leader. But, there’s so much information available about nurse leaders that it’s difficult to discern how to become an effective leader... well, you’ve chosen the right session! During this time, our speaker discusses some common leadership types, qualities, and core values that effective leaders use. She also reviews strategies to avoid common pitfalls and provides you with practical tools you can use to help you become the effective leader you want to be!

020 The Neonatal Pharmacology Review
Brought to You by the Letters P, S, and V: Pain, PDA, Seizures, Viruses, and Vaccines
Christopher McPherson, PharmD
Jason Newland, MD, MEd

This full day workshop covers a broad range of topics in neonatal pharmacology. A section on infectious diseases includes TORCHS infections, including cytomegalovirus, herpes simplex virus, and syphilis and also addresses the importance of infant vaccination and strategies for addressing parental vaccine hesitancy. Other topics include optimal management of patent ductus arteriosus and practical strategies for managing procedural pain and seizures in newborns.

030 RNC-NIC Certification Mini Review
Robin Koeppel, DNP, RNC-NIC, CPNP
Nicole Jasso, MSN, RNC-NIC

This mini-review focuses on major subject areas of the NICU certification exam in a quick-fire, question and answer format. Topics discussed include respiratory, cardiac, GI, genetics, fluid and electrolytes, delivery room stabilization, thermoregulation, and physical examination.

Call for Abstracts

We invite you to submit an abstract for a poster or podium presentation to present at this outstanding conference. Posters and podium presentations offer the perfect opportunity to network, exchange ideas, and improve the quality of nursing care. See academyofneonatalnursing.org for guidelines and submission information. Submission deadline is June 15, 2020.

Statement of Purpose

The purpose of this conference is to provide clinically current information on the technical, medical, and nursing aspects of neonatal care. The educational sessions provide information to nurses and other health care professionals who care for newborn, premature, and ill infants and their families. Specific objectives for each presentation will be listed in the conference program materials.

Continuing Education

Attendees may earn up to 29 contact hours of continuing nursing education for this conference, based on a 60-minute hour. (Main conference sessions 15 contact hours, preconference sessions up to 6.5, and poster sessions up to 7.) Participants must be registered for the conference, attend at least 90% of each session, and complete evaluations to earn continuing education contact hours.

The Academy of Neonatal Nursing is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation. The provider, the Academy of Neonatal Nursing, is approved by the California Board of Registered Nursing, Provider #CEP 6261; Florida Provider #FBN 3218, CE Broker #50-3006.

Kudos from Past Attendees

“The ANN conference was a great experience! It is fun to be around so many nurses that are SO passionate about the babies they care for. It’s eye opening to hear how others do things.”

“I highly recommend this conference. The workshops are geared towards current, relevant issues. The speakers are experts in their fields. The overall atmosphere is very friendly and helpful.”

“The quality of the presenters and their material was excellent. It was one of the best conferences I have attended in a long time. It really stimulated the ole brain cells and I loved it.”

“Excellent speakers with great evidence. It is great to see how practice is changing in all parts of the country.”

“VERY well-organized and GREAT speakers. There wasn’t a session that I didn’t enjoy. Loved every minute of this conference! LOVE the conference app…worked well and allowed me to see other workshops/sessions being offered.”

“Many of the speakers presented relevant, innovative information that was new in neonatal advanced practice.”

Choose the Conference That Works for You!

We provide two conferences for neonatal nurses. Each conference offers a variety of general and concurrent sessions. Explore the programs and decide which conference best meets your needs.

- The Neonatal Nurses program is designed for all levels of neonatal nurses from the novice nurse to the experienced practitioner.
- The Advanced Practice Neonatal Nurses Conference is designed for NNPs, CNSs, and experienced staff nurses.

Group Discount for ANN Members

Any facility registering four (4) or more ANN members together for the main conference, will qualify to receive a $75 discount per registrant. NOT A MEMBER? Non-members can choose the “Join & Register” category which includes membership dues. All group registrations must be submitted together, no exceptions. Please note: If a member of the group cancels, becoming a group of less than 4, the group is no longer eligible for this discount and the discount is forfeited. Cannot be combined with any other offer. One discount per registrant. Memberships are non-transferable and non-refundable.
