RE: March Board Report #2

Summary

March Updates

- 2020 COI Forms - submission status and follow-up for 100% compliance (need to follow-up with Ethics to make sure forms with disclosures are being reviewed)  
  Contacted Chair of Ethics on 3/9 and was informed that 2020 COI forms have not yet been reviewed due to on-going ethics matters. The OM and I are in process of reaching out to the roughly 40 individuals who have not yet returned their 2020 COI form.

- OA / OR Roll-out / Ryan Winter / Contracts Ryan Winter was not able to deliver the OA/OR contract templates by the requested due date of 3/13 due to other higher priority work commitments. Ryan indicated that he should be able to deliver the contracts by 3/27. See final task list (as a CSV, exported from Asana) in the BOD drive.

- Feb financials / Reserve Plan update The chair of the finance committee has developed a reserve fund plan, and the plan will be discussed and reviewed on the 3/20 finance call. The goal is to set-up and fund the reserve accounts (CD ladder, money market, etc.) at the beginning of April. Our Chase savings account currently has a balance of $482,000.

- FY21 Budget prep Started the week of 3/9 with staff 1-1 to determine department budgets. Anticipate having a first draft by April 15.

- Medova / Group Health Plan launch We have reached out multiple times in the past 2 weeks to Medova with no response, and will try again this week. We are waiting for their inquiry / contact form to be created so we can launch the group health plan to eligible members asap.

- Higher Logic platform - first newsletter on this platform in March Still on target to launch this platform with the release of a newsletter on the new platform the week of 3/23.

- IT stuff: policies / PVM shared drive /Community Drive has not moved forward at this time.

- Raleigh attrition status and plan to deal with attrition in Spokane, Cleveland, and Portland (Board conversation required) Has not moved forward at this time.
• **2024 Conference contracting (Board conversation required)** Has not moved forward at this time.
• Asia conference / Coronavirus status, daily monitoring of CDC/State Dept advisories for guidance in decision making, communications and risk management plan, Go / No -Go decision deadline (April 15th?) Hiring for planning assistance? (Board conversation required) We are moving forward with initial planning for the event, to be held this fall in Taiwan. See notes form Melissa in drive (to coordinate with the AIC).
• **AR’s for 2020 reviews / site visits (per Wayne)** I have reached out to the AR’s to inquire about their interest / availability if we need them to do site visits in 2020. At this stage, both Jeff Boeke and Dan Pervorse are interested and available pending further discussions.
• Insurance for international ICE applicants (professional level, etc.) (Board conversation required) Has not moved forward at this time.
• Harrisburg ICE event follow up This was a prep course only, and not a test event. We will continue to offer the test at the fall Harrisburg event.
• **Staff Evals** There are two staff performance evaluations coming up: one in April and one in May.
• **ED Eval (BOD)**

**February Financials**
The draft February financial statement is in the Finance Drive (Finance - FY20 Financial Planning – Monthly Statements and Financial Reports – February).

**Raleigh Room Block Attrition**
The room block attrition situation improved dramatically in the weeks just prior to the conference, and the final attrition bill should be closer to $17k. We budgeted $30k for this expense.

Creating the budget for the next fiscal year (FY21) will begin in March with the goal of submitting a draft budget to the Board by the end of April. Final budget approval by the Board typically occurs in late May or early June, just prior to the start of the new fiscal year. As a reminder, the finance committee is deeply involved in the budget process and will vet the budget prior to submission to the Board for final approval.

**2024 Conference Contracting**
We are contracted for the next three years following Raleigh (Spokane, Cleveland, Portland), and now we will need to contract for 2024. Given the attrition situation, I will not be signing any contracts (or vetting locations) until a larger conversation about options, venues, contracting, etc., can be had. Ideally, we will need to make a decision about 2024 sometime in April.

**2020 COI Forms**
The 2020 COI forms went out to our volunteer base on February 4th. At the time of this writing, we have a total of 86 forms returned. Follow-up to collect forms from those who have not returned a COI as of yet will began the week of March 2nd. The ethics committee is responsible for vetting all forms that have reported disclosures.
**OA/OR**

**OA:** the first draft of a 3-year financial model/budget for the operation accreditation program has been submitted to the finance committee for review. Program documents were submitted to Ryan Winters, a defense attorney with Hall/Evans. (See Ryan’s letter dated 1/27/20 in the Raleigh meeting folder.)

I spoke with Ryan on 2/14 and per the BOD conversation and recommendation at the F2F in Raleigh he is moving forward with drafting the contracts he recommended between ACCT and the operator, and ACCT and the operation reviewer. Ryan said he can complete that work by March 27th.

Additionally,

*The OA landing page on the website has been mostly completed (awaiting final revisions to forms and contracts recommended in Ryan’s letter dated 1/27) and can be ready to go live once the program has been approved.

*OR: 2 one-day trainings were held in Raleigh. A one-day training open to any eligible individual was tentatively scheduled in Longmont for 4/8, but we are now postponing it until May 13 due to COVID-19.

**FY20 Organizational Priorities**

1. **Member Value**
   1.1 ACCT sponsored group health insurance plan for eligible members: Medova Marketing agreement has been signed, and we are finalizing a landing page on the ACCT website with program information. The page will not go live until late March following internal review. The marketing agreement with SALA for their cost share program has been delayed on their end, and it now appears that they will not be ready to offer their program until June, 2020 at the earliest, possibly later. The goal is to sign that agreement once SALA is ready.
   1.2 Access to legal defense/expertise: has not moved forward at this time.
   1.3 Transparency / Communication: F2F meeting policy for increasing transparency of what volunteer groups are working on was approved by the BOD in August. Meeting minutes from the recent F2F mtgs. (i.e., ICP, OA/OR, TCTF) will be placed on the website once approved by those groups.
   1.4 ACCT Academy: launched in September, 2019.
   1.5 Industry Data: has not moved forward at this time.

2. **Government Relations**
   2.1 Publications Group: has not moved forward at this time.
   2.2 Crisis communication: Skip King conducted a media training at the Longmont office with the ED, PD and office staff members in late July.
   2.3 List of stakeholders and regulators: the regulations map launched on December 19th.

3. **Credentialing / Program Management**
   3.1 OA – support launch: see notes above.
   3.2 ICE – A prep course and test event was offered in Raleigh.

3.4 Trainer credentialing – held a F2F meeting in GA in November.
3.5 Evaluation – has not moved forward (methods to evaluate the program?)

5.3 Affinity Groups – purpose, value: has not moved forward at this time

6. International Efforts
6.1 Standards translations: The Spanish translation is finished, and Mandarin Chinese is still in process.
6.2 International events – hosting and attending: see Costa Rica and Asia notes in previous ED reports. ED attended the Arival conference in October in Orlando. A proposal and budget for a small-scale regional conference to be held in Asia Oct/Nov, 2020 has been submitted to the BOD for review.
6.3 Credentialing opportunities: In-house ICE events were held in Costa Rica, and one in Hawaii the third week of January.
