RE: April Board Report #1

Summary

March Updates & Priorities for April

- The past two weeks have been dominated by COVID-19 issues, communication with members, developing resources for the website, etc.
- Association Leadership Calls: I have joined a weekly series of calls organized by AORE with other association leaders to discuss common COVID-19 issues, strategies, etc., that associations are facing right now such as membership, events, communications, business disruption, and business continuity. Calls will begin April 3rd.
- Starting the week of March 30, I will begin investigating Federal and State economic relief options available to ACCT for things such as business and payroll continuation, etc.
- 2020 COI Forms - submission status and follow-up for 100% compliance (need to follow-up with Ethics to make sure forms with disclosures are being reviewed)  
  Contacted Chair of Ethics on 3/9 and was informed that 2020 COI forms have not yet been reviewed due to on-going ethics matters. The OM and I are in process of reaching out to the roughly 40 individuals who have not yet returned their 2020 COI form.
- OA / OR Roll-out / Ryan Winter / Contracts Ryan Winter was not able to deliver the OA/OR contract templates by the requested due date of 3/13 due to other higher priority work commitments. Ryan indicated that he should be able to deliver the contracts by 3/27. Due to being ill for the past 2 weeks, Ryan was not able to deliver the contract templates by the 27th but he hopes to complete them by April 3rd. See final task list (as a CSV, exported from Asana) in the BOD drive 3/18 meeting folder.
- Feb financials / Reserve Plan update The chair of the finance committee has developed a reserve fund plan, and the plan will be discussed and reviewed on the 4/3 finance call. The goal is to set-up and fund the reserve accounts (CD ladder, money market, etc.) at the beginning of April. Our Chase savings account currently has a balance of $482,000.
- FY21 Budget prep Started the week of 3/23 with staff to determine department budgets. I anticipate having a first draft by April 15.
• Medova / Group Health Plan launch We are launching the health plan for eligible members the week of 3/30.
• Higher Logic platform - first newsletter on this platform in March The first newsletter on the new platform was sent out on 3/26.
• IT stuff: policies / PVM shared drive /Community Drive has not moved forward at this time.
• Raleigh attrition status and plan to deal with attrition in Spokane, Cleveland, and Portland (Board conversation required) Has not moved forward at this time.
• 2024 Conference contracting (Board conversation required) Has not moved forward at this time.
• Asia conference / Coronavirus status, daily monitoring of CDC/State Dept advisories for guidance in decision making, communications and risk management plan, Go / No -Go decision deadline (April 15th?) Hiring for planning assistance? (Board conversation required) We are moving forward with some initial planning for the event, realistically thinking that it will take place in the fall of 2021 in Taiwan. See notes form Melissa in drive (to coordinate with the AIC).
• AR’s for 2020 PVM reviews / site visits I have reached out to the AR’s to inquire about their interest / availability if we need them to do site visits in 2020. At this stage, ALL of the AR’s are interested and available pending further discussions.
• Insurance for international ICE applicants (professional level, etc.) (Board conversation required) Has not moved forward at this time.
• Staff Evals There are two staff performance evaluations coming up: one in April and one in May.
• ED Eval (BOD)

March Financials
The draft March financial statement will be placed in the Finance Drive (Finance - FY20 Financial Planning – Monthly Statements and Financial Reports) by 4/9.

Creating the budget for the next fiscal year (FY21) began in March with the goal of submitting a draft budget to the Board by the end of April. Final budget approval by the Board typically occurs in late May or early June, just prior to the start of the new fiscal year. As a reminder, the finance committee is deeply involved in the budget process and will vet the budget prior to submission to the Board for final approval.

2024 Conference Contracting
We are contracted for the next three years following Raleigh (Spokane, Cleveland, Portland), and now we will need to contract for 2024. Given the attrition situation, I will not be signing any contracts (or vetting locations) until a larger conversation about options, venues, contracting, etc., can be had. Ideally, we will need to make a decision about 2024 sometime in April/May.

2020 COI Forms
The 2020 COI forms went out to our volunteer base on February 4th. At the time of this writing, we have a total of 86 forms returned. Follow-up to collect forms from those who have not returned a COI as of yet is in process. The ethics committee is responsible for vetting all forms that have reported disclosures.
OA/OR

OA: the first draft of a 3-year financial model/budget for the operation accreditation program has been submitted to the finance committee for review. Program documents were submitted to Ryan Winters, a defense attorney with Hall/Evans. (See Ryan's letter dated 1/27/20 in the Raleigh meeting folder.)

I spoke with Ryan on 2/14 and per the BOD conversation and recommendation at the F2F in Raleigh he is moving forward with drafting the contracts he recommended between ACCT and the operator, and ACCT and the operation reviewer. Ryan said he can complete that work by 4/3.

Additionally,

*The OA landing page on the website has been mostly completed (awaiting final revisions to forms and contracts recommended in Ryan’s letter dated 1/27) and can be ready to go live once the program has been approved.

*OR: 2 one-day trainings were held in Raleigh. A one-day training open to any eligible individual was tentatively scheduled in Longmont for 4/8, but we are now postponing it until further notice due to COVID-19.

FY20 Organizational Priorities

1. Member Value
   1.1 ACCT sponsored group health insurance plan for eligible members: Medova Marketing agreement has been signed, and we are finalizing a landing page on the ACCT website with program information. The program will launch the week of March 30th. The marketing agreement with SALA for their cost share program has been delayed on their end, and it now appears that they will not be ready to offer their program until June, 2020 at the earliest, possibly later. The goal is to sign that agreement once SALA is ready.
   1.2 Access to legal defense/expertise: has not moved forward at this time.
   1.3 Transparency / Communication: F2F meeting policy for increasing transparency of what volunteer groups are working on was approved by the BOD in August. Meeting minutes from the recent F2F mtgs. (i.e., ICP, OA/OR, TCTF) will be placed on the website once approved by those groups.
   1.4 ACCT Academy: launched in September, 2019.
   1.5 Industry Data: has not moved forward at this time.

2. Government Relations
   2.1 Publications Group: has not moved forward at this time.
   2.2 Crisis communication: Skip King conducted a media training at the Longmont office with the ED, PD and office staff members in late July.

A proposal and budget for a small-scale regional conference to be held in Asia Oct/Nov, 2020 or 2021 is being revised / refined at this time.
6.3 Credentialing opportunities: In-house ICE events were held in Costa Rica, and one in Hawaii the third week of January.
