That’s a Wrap for Fort Worth!

The 2018 Conference in Fort Worth, TX was a huge success with record breaking attendance and a SOLD OUT Expo! Attendees had a plethora of 90 minute workshop sessions to choose from not to mention all of the extended learning opportunities with the Pre-cons, Post-cons, and Training courses offered. A huge shout out to the 2018 Conference Work Group for all of their hard work to pull off such a fantastic event! Let’s not forget those Yellow Hats that volunteer roughly 17 hours throughout the conference to ensure your conference experience is top notch! Of course we would be remiss if we didn’t acknowledge all of the AWESOME presenters that selflessly shared their knowledge with our community over the course of the week...THANK YOU!!!

It is with a heavy heart that we acknowledge the passing of Warren P. “Philo” Elmer III at the age of 70.

Warren started Cradlerock in the early 1980’s and was one of the pioneers of Challenge Course programming and vendor services based out of New Jersey.

Warren was one of the founding members of ACCT and served on the organizational committee which formed the association in 1993. He served on the original Board of Directors from 1993 to 1997, organized and ran the first two ACCT Conferences in 1994 and 1995, and became the very first ACCT Executive Director in 1998.

After selling his business in the mid-1990’s, Warren dedicated more of his energy to his involvement with AEE. He was a 1969 graduate of Princeton University and very active with the outdoor education program at the Princeton-Blairstown Center. He was the 2004 recipient of Princeton Outdoor Action’s Josh Miner Experiential Education Award. He is survived by his two sisters, Ginny and Molly, and his beloved dog, Willow.
