Attention In-House Inspectors!

Plan to attend the new In-House Inspector Training session on Wednesday, January 31, 2018 at the ACCT annual conference in Ft. Worth, Texas. This training is offered as a pre-conference session.

This full day learning opportunity has been designed specifically for In-House Inspectors – individuals who are responsible for implementing the on-going inspection and monitoring system for a challenge course, zip line, or aerial adventure park operations. Whether you work at a long established traditional challenge course site, a large new commercial venue, or something in-between, expect to expand your skills and knowledge through a combination of hands-on experiences, photo review, and prepared presentations. In addition to knowing where to look and what to look for, this workshop aims to provide novice and experienced in-house inspectors with a systematic approach for deciding what to do with the findings arising from periodic internal monitoring. Participants should be prepared to be outdoors and climb.

The training will take place on the challenge course at Stony Ranch in Ponder, Texas. Transportation to and from the ranch from the Fort Worth Convention Center will be provided and included in the cost. Lunch will also be provided. A limited number of reservations are available for this session so be sure to apply early. No documents are required to attend. The cost for this full day session is $260. Registration is available at http://www.acctconference.com.

2018 ACCT Award Nominations Now Open!

Remember to submit your nominations by the January 7th deadline! Complete information can be found here: http://www.acctinfo.org/page/awards

Workshops, Workshops, Workshops!!!

The 28th Annual ACCT Conference and Expo is host to numerous professional development opportunities offered by various industry leaders. Register today to participate in dynamic certification courses (including ACCT’s Inspector Certification Course), or select from 11 pre-conference workshops presented by some of the world’s leading experts. The conference will also include a variety of post-conference workshops on Sunday that you won’t want to miss! Let’s not forget the 110+ general session workshops that are available with your attendee registration. Details for all of those can be found on the conference website (www.acctconference.com). There truly is something for everyone in the Challenge Course Industry this year!

Demo Slots still available!

This is your chance to gain more exposure for your company, your products, and your services. Savvy exhibitors and presenters can use these demo opportunities to put themselves “on stage” at the show. The demonstration should be educational in nature, and not only a sales “pitch” for your product or service. It should be viewed as a product and/or service clinic for your customers and prospects, giving them something of value to use in their business. Click here to reserve a demo slot in Fort Worth!
