

## MSA ANNOUNCES PLANS TO DISCONTINUE REDPOINT DESCENDER

MSA issued a stop use notice on October 14, 2009 and an update on November 3, 2009. MSA has now stated that they will discontinue the Redpoint Descender.

MSA is in the process of developing a reimbursement program for eligible Redpoint and Auto-Belay Descenders. The reimbursement program plans are currently being reviewed by the U.S. Consumer Product Safety Commission (CPSC). Following the CPSC review, MSA plans to issue a recall notice to owners and distributors of the affected products, including instructions for the return of units.

It is important that the Stop-Use remain in effect. Please do not use any Redpoint Descender or affected Auto-Belay Descender. As a reminder, the Stop-Use Notice applies to the following descender units:

All Redpoint Descenders (part numbers 10024873, 10027646, and 10027798) regardless of the date the unit was manufactured or last serviced;  
Auto-Belay Descenders (part number 10021806) manufactured or last serviced on or after June 30, 2000.

If you have any questions, please contact MSA Customer Service at 1-800-MSA-2222 or 412-967-3000. If you would like to view the original notice please visit the MSA website, [www.msanet.com](http://www.msanet.com).
