CAMERON ANNAS

ACCT'S NEWEST BOARD MEMBER CHOSEN BY YOU, THE MEMBERS

"It’s amazing how much we can accomplish if we choose to focus on the success of others. I look forward to attributing my passion for adventure and the success of others to ACCT Board of Directors!"

There are many issues that we could focus on at the ACCT BOD level. However, the biggest topics that I see an importance in focusing on are:

1. Financial stability. Without stable finances, the association becomes handcuffed.

2. Standards enforcement at the inspector level. Not just ACCT standards, but also manufacturer guidelines and specifications.

3. Accreditation Program. Ensuring the success of this program roll out. This not only includes financially and systematically but also from a risk management perspective. This program could have positive and negative risk management effects that need to be considered and administered.

4. Member Benefits. There may be some other areas in which the ACCT can bring value to you, the members. I have experience with other associations and seeing the value-added benefits other associations have been able to bring to its members.”

-Cameron Annas

Cameron is the Vice President at Granite Insurance. He spent the last 5 years developing and leading national risk management and insurance programs for the zip line, ropes course, adventure park, and various other adventure sport industries. During his career at Granite Insurance, Cameron’s primary passion has been to assure the success of operators, builders, and manufacturers in the adventure sport industry across the United States.

The remaining two Board of Director seats will be voted in by the Accredited Professional Vendor Members at the Annual General Meeting February 8th by written ballots. The results will then be announced at the end of the Annual General Meeting as well as at the Awards Ceremony that will follow after.
