

THANKS FOR JOINING US!

The 2019 Conference in Denver was a huge success with record breaking attendance (1155) and a dynamic Expo with nearly 80 companies represented! Attendees had over 120 ninety-minute workshop sessions to choose from not to mention all the extended learning opportunities. Additionally, attendees had 14 sessions to choose from including the ACCT ICE Prep Course and the ACCT De-mystifying the Standards Sessions we hosted.

A huge shout out to the 2019 Conference Work Group for all their hard work to pull off such a fantastic event! Let's not forget those Yellow Hats that volunteer roughly 17 hours throughout the conference to ensure your conference experience is top notch! Of course, we would be remiss if we didn't acknowledge all the AWESOME presenters that selflessly shared their knowledge with our community over the course of the week and last, but certainly not least all of our fabulous sponsors for their continued support...THANK YOU!!!
