

CONFERENCE AMBASSADOR 2020

Raleigh, NC

Essential Duties and Responsibilities:

- Participate in conference brainstorming sessions.
- Provide general knowledge about and serve as a contact point with local challenge courses /adventure parks / zip and canopy tours that ACCT could partner with for conference-related workshops and events.
- Provide assistance in planning and on-site help with various networking events to incorporate local culture. Share general information about the host city for conference publications.
- Provide content / assist with social media presence leading up to event. (Take some photos of various things for attendees to look forward to when coming to the conference).
- If available, meet with ACCT Staff during the pre-planning visit in host city (Raleigh for 2020).

How would you like to represent your city at the next ACCT Conference? Residents of Raleigh, North Carolina, we are looking for you!

The ACCT Conference Work Group would like to add some local flavor to each ACCT Conference. Annually, the work group will take applications from ACCT members interested in becoming the *ACCT Conference Ambassador*.

The ambassador will provide the work group with local insight during planning and while on-site. They will identify and share the best their city has to offer visitors to help make the full conference experience all it can be for attendees. The Conference Ambassador will need experience living and working in the host city, Raleigh, NC.

Please note this commitment differs from those serving the Conference Work Group. The length of commitments would be 1 year working with the Conference Work Group and would report to the ACCT Events Director. Although full Conference Work Group benefits do not apply, your benefits would include:

- Complimentary conference registration
- Brief highlight piece in the conference brochure
- The looks of joy and thanks from happy conference-goers

If you are interested in becoming our Raleigh Ambassador please send your [Volunteer Application](#) to melissa@acctinfo.org by April 10th
