

PRODUCT NOTICE

I.S.C

Since the conception of ACCT, industry safety has always been at the forefront of the minds of our creators as well as those who continue to drive ACCT.

As an ACCT member, one of the benefits included in your membership is up-to-date information about important industry notices and updates as we receive them.

In recent days, ACCT received a Product Notice for the following ISC products:

- RP074 Zippey
- RP205- PR209 Ropegrab (Pin-Pin)

If this is a product you use, please read through the notice to see if it applies to your equipment and operation. If you do have any questions please contact your vendor representative or you can contact
